RECITALS

A. This Declaration and Bylaws attached hereto supersede and replace all prior declarations, bylaws, and amendments or supplements thereto, recorded against the subdivision or unrecorded, including the Declaration of Covenants, Conditions and Restrictions of Canyon Park, Inc., recorded April 24, 1975, as Entry No. 636299, records of Weber County Recorder, Utah, and all amendments thereto (the "Original Declaration");

B. The property subject to this Declaration is the Canyon Park subdivision in Weber County, Utah. Exhibit A of this Declaration further defines the property subject to this Declaration. ARTICLE II - PROPERTY DESCRIPTION, RIGHTS AND EASEMENTS

2.1 Property Subject the Declaration and Bylaws. The real property which is, and shall be, transferred, held, sold, conveyed, used, occupied and improved subject to the Act and to this Declaration, the Governing Documents, and all agreements, decisions and determinations made by the Board or Association is described on **Exhibit A** attached hereto, which Declaration and covenants, conditions and restrictions therein shall run with the land and shall be binding upon each and every party which shall at any time have any right, title or interest in or to the Property or any part thereof, their heirs, successors and assigns, and to any other person who may in any manner use the Property or any part thereof submitted to the provisions of this Declaration, and shall inure to the benefit of each Owner thereof. To the extent that the Governing Documents are or become inconsistent with the provisions of any future amendments to the Act, the Act, as amended, shall control.

2.2 Description and Legal Status of Lots. Except as stated below, the Plat shows the Lots and building designations, their locations, dimensions from which its areas may be determined, and, together with the Definitions above, those Limited Common Areas which are reserved for such use, and the Common Areas. All Lots are residential Lots. All Lots shall be capable of being independently owned, encumbered, and conveyed.

2.3 Modifications and Additions Concerning Parking as Provided for on Plat. Information set forth on the Plat indicates the location of certain carports and open parking spaces within the Common Area and provides that the exclusive use of certain of said carports and/or open parking spaces is assigned to a specified Lot. Set forth on **Exhibit B** is a schedule (the "Schedule") in which appear three (3) columns. In the first column appear references to certain "parking facilities as shown on Plat." Each of the carports or open parking spaces referred to in said first column is depicted on the Plat. In the second column appears: (i) an indication that the corresponding carport or open parking space identified in the first column is eliminated, is shifted somewhat in location (together with a description, in general terms, of the new or modified location), or is not changed in either of such respects; or (ii) an indication that the carport or open parking space involved is new (i.e., in addition to the various carports and open parking spaces provided for in the Plat), together with a description, in general terms, of the location of such new carport or open parking space. (Each of the locations described in the second column of such Schedule, whether the same pertains to a location as shifted or to a new location, is within the Common Area. The size and configuration of each of the locations described in said second column is essentially the same as the size and configuration of the parking facility of the type concerned as shown on the Plat.) The third column of said Schedule sets forth a "designation or redesignation" of the corresponding parking facility dealt with in the first and/or second column, in those instances where a change is being made (i.e., a designation for each new carport or open parking space and a substituted designation for each carport or open parking space the exclusive use of which is assigned to a Lot different than that to which it was originally assigned). The exclusive use of each of the carports or open parking facilities referred to in the Schedule is assigned to that Lot which has the same number as is used in third column of said Schedule.

Notwithstanding the information set forth on the Plat, the arrangement (i.e., existence, location, and Lot to which exclusive use is assigned) relative to each of the carports and open parking spaces treated in the Schedule shall be as set forth therein. In each instance where the Schedule indicates that a particular carport or open parking space is eliminated, the former site of the carport or open parking space concerned shall merely be part of the general Common Area, with no right of exclusive use applying to such site (except to the extent that a contrary arrangement may apply as a result of information contained elsewhere in such Schedule or as a result of the following Section 2.4). In each instance where the following Schedule indicates a modified location for a particular carport or open parking space, the former site of the carport or open parking space concerned (to the extent not encompassed within the modified location) shall merely be part of the general Common Area, with no right of exclusive use applying thereto (except to the extent that a contrary arrangement may apply as a result of information contained elsewhere in such Schedule or as a result of the following Section 2.4). Except to the extent modified by this Section 2.3 and/or of the following Section 2.4, the parking arrangement which is created by and provided for in the Plat shall be and remain unchanged and in full force and effect.

Unless otherwise indicated, any reference in the first and second columns of the Schedule to a carport or open parking space refers to such carport or open parking space as shown on the Plat, without regard to any of the modifications which are provided for in this Section 2.3.

2.4 Miscellaneous Provisions Concerning Parking Areas and Exclusive Rights. The location of any particular open parking space or carport as actually created and constructed shall for all purposes control over the location therefor as shown on the Plat and/or as provided for in the foregoing Section 2.3 (as the case may be), so long as the open parking space or carport concerned is situated at approximately the same location as is contemplated therefor by the Plat and/or said Section 2.3 (as the case may be).

Certain of the carports contained within the Common Area are linked to a street or roadway by means of a driveway area or driveway-like area which is long enough to permit an automobile comfortably to be parked therein. In each instance where the exclusive use of such a carport is assigned to a particular Lot, the exclusive use of such driveway area or driveway-like area is likewise assigned to the same Lot.

Information contained in the Plat (as such information is modified by the foregoing Section 2.3) indicates that at various locations within the Common Area are situated unassigned open parking spaces for guests. Such information shall not limit the number or location of unassigned open parking spaces for guests. Unassigned open parking spaces may have been created in locations other than or in addition to those locations shown therefor on the Plat (as modified by the foregoing Section 2.3). The Board shall have the right, but not the obligation, to convert, assign and allocate unassigned open parking spaces to and for exclusive use by one or more residents and to charge a recurring fee for their use.

Whenever in this Declaration there is language referring to "a carport or open parking space, indicated on the Plat of Canyon Park Subdivision, the exclusive use of which is assigned to a certain Lot," or language of similar import, such language shall be deemed to mean and shall mean "a carport or open parking space, indicated on the Plat of Canyon Park Subdivision and/or described and provided for in Section 2.3 of this Declaration, the exclusive use of which is assigned to a certain Lot" or such similar phrase accomplishing the same result, as the context may require.

2.5 Form of Lot Conveyance - Legal Description of Lot. Each conveyance or installment contract for the sale of a Lot and every other instrument affecting title to a Lot may describe that Lot by the number shown on the Record of Survey Map with appropriate reference to said Map and to this Declaration, as each shall appear on the records of the County Recorder, state of Utah, and in substantially the following form: Lot ____, Building ____ shown on the Record of Survey Map for Canyon Park subdivision, appearing in the records of the Weber County Recorder as Entry No. ____ Map No. ____, and as identified in the Declaration of Covenants, Conditions and Restrictions appearing as Entry No. ____ in Book ____ at Pages ____ of the official records of the Weber County Recorder, as may be amended, and the Plat. This conveyance is subject to the provisions of the aforementioned Declaration, including any amendments thereto.

2.6 Use and Occupancy. Except as otherwise expressly provided in this Declaration or the Bylaws, the Owner(s) of a Lot shall be entitled to the exclusive use and benefits of ownership of such Lot. Each Lot, however, shall be bound by, and the Owner shall comply with, the restrictions contained below and all other provisions of the Governing Documents of the

Association for the mutual benefit of the Owners. Street lights in the Property receive power through connection to certain Lots and the Owners of such Lots shall at all times provide and maintain power to said street lights at their own cost and expense.

2.7 Easements Reserved. In addition to the easements shown on the Plat or provided for under this Declaration, the Bylaws or law, the following easements are hereby reserved for the benefit of the Owners and the Association:

(a) Right of Entry. The Association and any person authorized by the Association may at any reasonable time, and from time to time at reasonable intervals, enter upon any Lot for the purpose of performing maintenance referred to herein and determining whether or not the Lot is in compliance with the Governing Documents or whether the use of the Lot is causing damage or harm to the Common Areas or Limited Common Areas. Requests for entry shall be made in advance and at a time convenient to the Owner, except in the case of an emergency, when such right shall be immediate. No such entry shall be deemed to constitute a trespass or otherwise create any right of action in the Owner of such Lot.

(b) Utility Easements. The Association and any public or private utility provider shall have an easement through all Lots and the Common Areas for the installation, maintenance and development of utilities and drainage facilities, as may be necessary. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may reasonably interfere with or damage utilities or drainage facilities. The easement area within each Lot and all improvements therein shall be maintained continuously by the person or entity responsible for maintenance of such Lot in accordance with the terms herein, except for those improvements for which a public authority or utility provider is responsible. Each Lot Owner shall have an easement in common with all Owners to use all pipes, wires, ducts, cables, conduits, public utility lines and other common facilities located in any of the other Lots and serving his or her Lot.

(c) Common Areas. All Owners are hereby granted a non-exclusive right and easement of enjoyment to the Common Areas, excluding the Limited Common Areas as defined herein.

2.8 No Encroachment. No Lot shall encroach upon an adjoining Lot without the express written consent of the Board of Directors. If, however, an encroachment occurs due to the settlement or shifting of a structure or building or any other reason whatsoever beyond the control of the Board of Directors or any Owner, there shall forthwith arise, without the necessity of any further or additional act or instrument, a good and valid easement for the maintenance of such encroachment, for the benefit of the Owner, its heirs, personal representatives and assigns, to provide for the encroachment and non-disturbance of the structure. Such easement shall remain in full force and effect so long as the encroachment shall continue.

ARTICLE III - RESTRICTIONS ON USE

3.1 Residential Use.

Lots shall be used for residential purposes in accordance with, and subject to, the other provisions of this Declaration and the Bylaws and rules and regulations adopted pursuant thereto.

Except as provided in this subsection, no trade, craft, business, profession, commercial or similar activities that causes additional pedestrian or vehicular traffic, creates a sight or noise nuisance, shall be conducted on any Lot or in any other portion of the Project.

3.2 *Rentals Prohibited, Owner-Occupancy of Units Required.*

3.2.1 Owner-Occupancy Required. Every occupied Unit shall be "Owner Occupied," except as provided below. Owner Occupied means non-exclusive occupancy of a Unit as a primary residence by:

- (a) The vested owner of the Unit as shown in the records of the County Recorder, if a Lot is owned by a natural person(s) (not an entity or trust);
- (b) Any trustee or beneficiary of a trust owning a Unit or any member or shareholder owning a beneficial interest of at least 50% of an LLC or corporation owning a Unit, if the trust or entity was created for estate planning purposes and was created for the estate of a current resident of the Unit; or
- (c) Any signer on a first mortgage or first trust deed encumbering a Unit.

As long as a Unit is occupied by one or more persons described in 3.2.1, the Unit shall be deemed Owner-Occupied for purposes of this Section 3.2, regardless of whoever else concurrently occupies the Unit.

3.2.2 Grandfather Status. Notwithstanding Section 3.2.1, all occupants of non-Owner Occupied Units at the time that this Amended Declaration is recorded may continue to occupy such Unit until such occupant ceases to occupy the Unit or until legal title to the Unit is conveyed, whichever first occurs, if such occupancy qualified for an exception under the Amendment to the Declaration recorded September 13, 2007, as Entry # 2291681. All Units that were not Owner Occupied at the time the Amendment to the Declaration was recorded on September 13, 2007 (Entry # 2291681), may continue to be non-Owner Occupied until ownership of the Lot is conveyed by the Owner.

3.2.3 Hardship Exemption. Notwithstanding anything herein to the contrary, in certain cases of undue hardship or extreme practical difficulties such as might occur in certain circumstances of job relocation, disability, military service, charitable service, or other similar situations, the Board shall have the exclusive discretion to approve an Owner's application to temporarily rent the Owner's Unit to a sibling, child, grandchild, parent or grandparent of a person described in 3.2.1(a) or (c), or to any person in the case of an Owner in the military who is deployed. A hardship exemption shall expire one year from issuance (except for an Owner in the military, in which case the exemption shall be for the period of the Owner's deployment), at which point the Unit, if occupied, must thenceforth be Owner Occupied unless another hardship exemption has been granted in writing. No hardship exemption shall be granted or otherwise exist unless the Unit will be and continues to be occupied by a sibling, child, grandchild, parent or grandparent of a person described in 3.2.1(a) or (c) during the period of the hardship exemption, except for a Lot Owner in the military who is deployed, in which case there is no restriction on who must occupy the Unit. Any hardship exemption granted hereunder shall be

considered a rental and shall be subject to Section 3.2.4, regardless of whether rent is exchanged.

3.2.4 Leases, Lease Agreements. In any case where a Lot Owner rents a Unit, there shall be a written lease agreement between the Owner and the lessee which must provide, among other things, that the terms of the lease shall in all respects be subject to the provisions of the Declaration, the Bylaws, and the Rules and Regulations. All lease agreements shall contain as an attachment to the lease agreement, a copy of the current Rules and Regulations of the Association. Any failure by the lessee to comply with the terms of the Governing Documents shall constitute a default under the lease and, upon notice to the Owner and a failure of the Owner to remedy violations of their lessee, the Board may require an Owner to terminate a lease agreement. If violations continue thereafter, the Association is hereby deemed an intended third-party beneficiary under the lease and is hereby appointed agent of the Owner and is entitled to initiate eviction proceedings against any such lessee. Within 10 days of a Unit being rented, the Owner must provide the Association with a copy of the signed lease agreement and the name(s) of all tenants, including the names of all individuals who will occupy the Unit, and the Owner must keep such information updated with the Association within 15 days of any change. No Unit Owner shall rent less than the entire Unit (room renting is prohibited), except in cases of hardship caused by disability of an occupant of an Owner-Occupied Unit, which exception shall be granted in the discretion of the Board.

3.2.5 Proof of Owner-Occupancy. Each Owner shall provide proof of Owner Occupancy in the form and intervals required by the Board from time to time or upon request of the Board.

3.2.6 Interpretation, Construction. All questions of interpretation or construction of any of the covenants, restrictions or terms herein shall be resolved by the Board, and its decision shall be final, binding and conclusive on all parties affected for all purposes.

3.3 *Animals.*

3.3.1. The Board shall have the express authority and right to promulgate rules, beyond those stated herein, restricting the keeping of pets.

3.3.2. Subject to Section 3.3.1, no more than two (2) dogs and two (2) cats, and no dog exceeding 26 pounds, shall be kept within the Property. The Board, in its sole discretion, may allow a dog exceeding 26 pounds by no more than 5 pounds if the dog, in the Board's opinion, is merely overweight. Those dogs living within the Property at the date of recording this Amended Declaration shall be permitted to remain. Additionally, no animals, livestock, or poultry of any kind may be raised, bred, kept or permitted within any Lot, except dogs, cats, or other household pets provided that they are not kept, bred, or maintained for any commercial purpose or in any unreasonable numbers.

3.3.3. Those animals which are permitted shall not cause any noise or disturbance that would be deemed a nuisance to other Owners or residents within the Community. Any inconvenience, damage or unpleasantness caused by such pets shall be the responsibility of the respective Owners thereof and Owners shall be responsible for immediate removal of wastes of their animals from the Common Areas and Limited Common Areas. The Owner of any dog

transferred a bond and shall be subject to Section 3.2.4, regardless of whether that is exchanged.

3.2.4 Lease Agreements. In any case where a Lot Owner signs a Lease, there shall be a written agreement between the Owner and the lessee which must comply with all applicable laws, rules and regulations, and the provisions of the Declaration, the Rules and Regulations. All lease agreements shall contain as an exhibit to the lease agreement, a copy of the current Rules and Regulations of the Association. Any failure by the lessee to comply with the terms of the Declaration, the Rules and Regulations, or the current Rules and Regulations shall constitute a violation of the Declaration, the Rules and Regulations, and the current Rules and Regulations. If a violation is determined by the Board, the Association is hereby deemed an intended third party beneficiary under the lease and is hereby appointed agent of the Owner and is entitled to enforce the lease agreement against any such lessee. Within 10 days of a claim being made, the Association will provide the Association with a copy of the signed lease agreement and the names of all parties including the names of all individuals who will occupy the Unit, and the Owner must keep such information updated with the Association within 15 days of any change. The Owner shall not less than the entire Unit (room rental is prohibited), except in cases of partial occupancy caused by disability of an occupant of an Owner-occupied Unit, which exception shall be granted in the discretion of the Board.

3.2.5 Board of Owner's Responsibility. Each Owner shall be the agent of the Association in the form and intervals required by the Board from time to time or as requested in the future.

3.2.6 Interpretation & Arbitration. All questions of interpretation or construction of any provision of the Declaration, the Rules and Regulations or any other document shall be final, binding and conclusive on all parties affected for all purposes.

3.3 Animals

3.3.1 The Board shall have the express authority and right to promulgate rules, policies and procedures regarding the keeping of pets.

3.3.2 Subject to Section 3.3.1, no more than two (2) dogs and two (2) cats, and no dog weighing 35 pounds shall be kept within the property. The Board, in its sole discretion, may allow a dog weighing 35 pounds or no more than 35 pounds if the dog, in the Board's opinion, is trained, obedient, friendly, and does not bark excessively. These dogs living within the property at the date of recording the Amended Declaration shall be entitled to remain. Additionally, no animal, livestock, or poultry of any kind may be used, bred, kept, or permitted within any Lot, except dogs, cats, or other household pets provided that they are not kept, bred, or permitted for any commercial purpose or in any unenclosed area.

3.3.3 Those animals which are permitted shall not cause any noise or disturbance that would be deemed a nuisance to other Owners or residents within the Community. Any inconvenience, damage or unpleasantness caused by such pets shall be the responsibility of the respective Owner thereof and Owners shall be responsible for immediate removal of wastes of their animals from the Common Areas and Limited Common Areas. The Owner of any dog

must keep such dog on a leash or confined within an enclosed area on the Owner's Lot or Limited Common Area. When not confined within an enclosed area, dogs and cats shall be supervised at all times by a suitably responsible person.

3.3.4. No dog shall be permitted to remain on or in a Lot or Living Unit unless a fence enclosing the patio and containing a gate is constructed and maintained on the Lot. Such fence shall be constructed within 30 days of a dog being brought on to the Property, shall require the pre-approval of the Board, and shall comply in all respects with the Architectural control provisions in Article IV below.

3.3.5. An Owner may be required to remove a pet upon receipt of a written notice from the Board given pursuant to a resolution relating to rules and regulations governing pets within the Community and enforcement of such rules and regulations and provisions of this subsection. The Board may apply for appropriate judicial relief in the event that Owners violate this Article. Any violation of this Article shall subject the Owner to a fine or fines.

3.3.6. Each Owner shall indemnify the Association, the Board and any other Owner and hold the same harmless against any claim, costs of defense of any claim, loss or liability of any kind or character whatsoever arising out of the presence of the animal in the Property.

3.4 *Offensive Activities.*

No noxious, offensive or unsightly conditions, including, but not limited to, the placement or storage of inoperable vehicles, car parts and appliances, or activities, including storage of hazardous material on or in a Lot or Unit, shall be permitted on any Lot or other portion of the Property, nor shall anything be done in or placed upon any Lot or Common Area which interferes with or jeopardizes the enjoyment of other Lots or which is a source of annoyance to residents.

3.5 *Parking of Automobiles and Other Vehicles.*

3.5.1. Campers, RVs, etc. Except as otherwise provided in this Section 3.5, parking of boats, trailers, commercial vehicles, commercial trucks, truck campers, motor homes and like vehicles and equipment shall only be allowed for periods of less than 72 hours and for no more than two separate 72 hour periods in any given month.

3.5.2. RV Parking Area. An RV parking area with very limited spaces exists upon the Property and is administered by and at the discretion of the Board. No Owner is entitled as a matter of right to a space in the RV parking area, but may be allowed to use a space, subject to availability and to the terms and conditions set forth by the Board and subject to payment of a recurring fee.

3.5.3. Guest and Overflow Parking; Parking Subject to Rules. The Board may designate certain guest parking areas as overflow parking spots for residents and charge a recurring fee for their use. The Board may adopt and amend rules to govern the parking of vehicles in the Common Areas. Any automobile, vehicle or equipment parked in violation of any rule or of this Section may be towed without further notice and the cost of such removal and any storage thereof shall be an Assessment against the Owner.

3.6 *Vehicles in Disrepair.*

3.6.1. No Owner shall permit any vehicle which is in an extreme state of disrepair to be abandoned or to remain parked upon any part of the Property unless such vehicle is within a garage. A vehicle shall be deemed in an extreme state of disrepair when the Board reasonably determines that its presence offends the occupants of the other Lots. The repair of vehicles is not permitted on the Property, except within an enclosed garage or as necessitated by emergency.

3.6.2. If an Owner fails to remove a vehicle deemed to be in an extreme state of disrepair within seventy-two (72) hours after the date and time on which written notice is securely placed on such vehicle or delivered to the responsible Owner by the Board, the Board may have such vehicle removed from the Property (i.e., towed) and assess the Owner the expense of such removal and any storage necessitated thereby.

3.7 *Signs.*

Unless written approval is first obtained from the Board, no advertisement or poster of any kind may be posted in or upon the Property except:

- (1) Security signs;
- (2) Not more than one (1) "for sale" sign, not exceeding 18 inches in height and 24 inches wide, may be temporarily placed on the inside of a window in a Living Unit;
- (3) A single political signs may be placed on the inside of a single window in a Living Unit one month before an election until the day after the election.

3.8 *Antenna and Dish Policy.*

Owners are encouraged to use cable service for television and internet. Satellite dishes and antennas not regulated by the FCC are prohibited. Satellite antennas, such as Direct Broadcast Satellite ("DBS") antennas/dishes one meter in diameter or less, and designed to receive direct broadcast satellite service, including direct-to-home satellite service, or receive or transmit fixed wireless signals via satellite, may be installed; provided the dish and any wires are installed so as to not be visible from the streets. If locating the dish so that it is not visible from the streets precludes reception of an acceptable quality signal, the dish shall be installed with the least visibility from the streets possible. An Owner must submit written notification to the Association at least three (3) calendar days before installing any antenna or dish that is allowed pursuant to this section. If requested by the Association, the Owner must establish a mutually convenient time to meet with a representative of the Association to review and discuss the antenna/dish. An antenna or dish governed by the FCC's Over-the-Air-Reception-Devices Rule may not be restricted by the Association so as to cause unreasonable delay in installation; unreasonably increase the cost of the equipment or its installation, maintenance, or use; or preclude reception of an acceptable quality signal. No dish may encroach upon the Common Area or the property of another Owner.

The Owner is responsible for all damage caused by or connected with the dish, for as long as the dish remains, including damage resulting from water entering a building due to the installation or existence of such antenna/dish. By installing a dish, the Owner agrees to hold the Association harmless and indemnify the Association in the event that someone is injured by the dish or from

any claim, loss, or damage arising from the installation or existence of the dish. The Owner shall keep the dish in a good and attractive condition so that it does not violate any portion of this Declaration. In the event of a violation of this Section, the Association may bring an action for declaratory and/or injunctive relief and the Owner is subject to a \$50.00 fine to the Association for each violation. If the violation is not corrected within a reasonable length of time as determined by the Board, additional fines of \$10.00 per day will be imposed for each day that the violation continues. The Association shall be entitled to recover its reasonable attorney's fees, costs and expenses incurred in the enforcement of this Section. If any provision of this Section is ruled invalid, the remainder of these rules shall remain in full force and effect. If the FCC modifies its rules, the modified rules shall be incorporated into this Section as if fully set forth herein. The terms "dish" and "antenna" are to be used interchangeably in the interpretation of the above policy.

3.9 Noise Disturbance.

Residents shall exercise extreme care to minimize noise and to use musical instruments, radios, televisions, amplifiers, or any other device so as to not disturb other residents. Noise disturbances shall subject the Owner of the Lot from which the noise originates to a fine, as levied by the Board in its sole discretion.

3.10 Rubbish and Trash.

No part of the Property may be used or maintained as a dumping ground for rubbish, trash, garbage, or any other waste. No garbage, trash, or other waste may be kept or maintained on any part of the Property except in a sanitary container as specified by the Association or within a trash enclosure screened from public view. All such waste and garbage must be promptly and periodically removed.

3.11 Unlawful Activities.

No unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed.

3.12 Clothes Lines and Materials.

No clothes lines, clothing racks, or other apparatus on which clothes, rags, or similar items are exposed for the purpose of drying or airing shall be located on the Property except within a Unit, unless in an area screened from public view. No garments, rugs, rags, laundry, or other clothing or materials shall be allowed to hang from the windows or from any of the facades or any other part of a Unit unless in an area screened from public view.

3.13 Increase in Insurance Cost.

Nothing shall be done or kept within any Lot or on the Common Areas, including Limited Common Areas, which will increase the cost of insurance to the Association or to other Owners. No Owner shall permit anything to be done or kept within his or her Lot or Common Areas which will result in cancellation of insurance on any Lot.

3.14 Association Rules and Regulations.

In addition to the restrictions and requirements above, the Board from time to time may, by

resolution, adopt, modify, or revoke such rules and regulations governing the conduct of persons and the operation and use of the Lots and Common Areas as it may deem necessary or appropriate in order to assure the peaceful and orderly use and enjoyment of the Property. Reasonable fines may be levied and collected as an assessment for violations of said rules and regulations and for violations of any restrictions contained in this Declaration. A schedule of fines may be adopted by the Board specifying the amounts of such fines, and any other provisions or procedures related to the levying of such fines.

ARTICLE IV - ARCHITECTURAL CONTROL

4.1 Modifications. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to, or change or alteration thereto, of any sort, whether structural, landscaping, cosmetic or otherwise, be made by an Owner until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board. Such approval shall be solely at the discretion of the Board as it deems appropriate from time to time. Any such request shall be deemed to have been denied if the relevant Owner, including any subsequent Owner, cannot produce the written approval granted by the Board upon request, and any changes or alterations made by an Owner, or prior Owner, shall be removed and the property restored to its original condition at the request of the Board. In the event the Board fails to approve or disapprove a request by an Owner, the request will be deemed to have been denied.

4.2 Design Guidelines. Design and construction of the Lots and Units shall be consistent with and shall comply with the procedures and criteria set forth in this Declaration and such other building and design criteria which the Board is hereby empowered to adopt (referred to as "*Design Guidelines*") to expand, clarify, and otherwise provide for the harmony and compatibility of the Improvements constructed within the Project. Design Guidelines shall also be deemed to include the requirement that the quality of all materials to be used in any construction or Improvements within the Project be equal or superior to that utilized for original construction. All builders and Owners shall comply with and are bound by the design restrictions herein and the Design Guidelines, if and when such are adopted.

ARTICLE V - MAINTENANCE OBLIGATIONS

5.1 Owner's Responsibility.

Except to the extent that the Association is responsible therefor under Section 5.2, maintenance of the Lots and the Living Units shall be the responsibility of the Owner(s) thereof, who shall maintain such Lots and Living Unit in good and attractive condition and repair. Each Owner at his or her sole expense shall maintain the flower, bush and shrub planting areas contiguous and adjacent to the Living Units, and shall maintain and repair the interior of the Living Units, including each and every structural element, exterior windows, window frames, and exterior doors/door frames. Any fixture, pipe, conduit, or other utility device or apparatus that serves only one Living Unit shall be the responsibility of that Living Unit's Owner to maintain, repair, and replace. Each Living Unit and Lot shall be maintained so as to not detract from the

appearance of the Community and so as to not adversely affect the value or use of any other Living Unit or Lot.

5.2 Maintenance by Association.

The Association shall maintain the Common Areas of the Property, unless otherwise stated in this Declaration, and shall provide for such care, maintenance, repair and replacement of the following as deemed necessary or desirable by the Board to keep them attractive and generally in good condition and repair: exterior surfaces of the Living Units and the roofs, gutters and downspouts thereon (but not including glass surfaces or the replacement of glass, doors, door frames, windows, window frames and also not including sealing, repairing or otherwise fixing foundations), and the trees, shrubs, grass, walks and other landscaping on Lots, but excluding the flower, bush and shrub planting areas contiguous and adjacent to the Living Units.

To the extent not clarified herein and not inconsistent with the provisions of this Declaration, the Association may, by duly adopted Board resolution, identify and assign those areas of maintenance and responsibility that are either (1) Owner responsibilities; or (2) Association responsibilities. Such determinations shall be set forth in a Board resolution distributed to all Owners and shall be binding against all Owners.

If any area or improvement is damaged, or the need for maintenance, repair or replacement is caused, by the willful or negligent acts of an Owner, their guests, tenants, invitees or other Unit occupants, the Owner shall be responsible for the cost of required maintenance, repair or replacement and such costs shall automatically and immediately be an Assessment against such Owner.

Additionally, the Association may assume an Owner's maintenance responsibility as to a Lot and Limited Common Area the Owner is responsible for maintaining if, in the opinion of the Board, the Owner is unwilling or unable to adequately provide such maintenance. Before assuming such maintenance responsibility, the Board shall provide notice to the Owner of its intention to do so, and if such Owner has not commenced and diligently pursued remedial action with fifteen (15) days after mailing of such written notice, then the Association may proceed to maintain the Lot. The expenses of such maintenance incurred by the Association shall be reimbursed to the Association by the Owner. Such expenses shall automatically and immediately be an Assessment against such Owner.

5.3 Party Walls.

5.3.1. General Rules of Law Apply. Each wall or fence built as a part of the original construction of any Lot or Living Unit and placed substantially on a dividing line between any two Living Units or Lots shall constitute a Party Wall. In the event the Owner, or its tenant, guest or invitee, causes damage to the party wall, then the general rules of law regarding party walls and liability for damage due to negligence or willful acts or omissions shall apply thereto. The Owner of each Lot adjoining a Party Wall shall be an "Owner" of the wall for purposes of this Article.

5.3.2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a Party Wall shall be shared by the Owners in proportion to their ownership thereto.

5.3.3. Destruction by Fire or Other Casualty. If a Party Wall is destroyed or damaged by fire or other casualty, any Owner thereof may restore it, and the other Owners thereof shall contribute to the cost of restoration thereof in proportion to such ownership without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

5.3.4. Arbitration. In the event any dispute arises concerning a Party Fence or a Party Wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all of the arbitrators.

5.3.5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

ARTICLE VI - ASSESSMENTS

6.1 *Covenant for Assessments.*

Each Owner, by acceptance of a deed hereafter conveying any Lot to it, whether or not so expressed in the deed or other conveyance, shall be deemed to have covenanted and agreed to pay the Association the following types of assessments, as provided for and defined below: Annual Assessments, Special Assessments, and Individual Assessments. All Lots shall pay an equal share of the Annual Assessments and Special Assessments. The Board shall determine whether installments of Annual Assessments are levied and collected on a monthly, quarterly, semi-annual, annual or other basis. Any member may prepay one or more installments of any Assessment levied by the Association, without premium or penalty. No member may exempt itself from liability for Assessments by abandonment of any Lot owned by such member.

6.2 *Annual Budget and Assessment.*

(a) Adoption of Budget. The Board shall prepare, or cause the preparation of, an annual budget for the Association, which shall provide, without limitation, for the maintenance of the Common Areas and for the administration, management and operation of the Association. If the Board fails to adopt an annual budget, the last adopted budget shall continue in effect.

(b) Determination of Annual Assessment.

(1) The Board shall fix the amount of the annual assessment ("Annual Assessment") against each Lot for each assessment period at least thirty (30) days in advance of the beginning of the period. Written notice of the Annual Assessments shall be sent to all members of the Association at least thirty (30) days in advance of the beginning of any assessment period, or thirty (30) days in advance of any increase in the Annual Assessment that is to take effect during any assessment period.

(2) The omission by the Board, before the expiration of any assessment period, to fix the amount of the Annual Assessment for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this article or a release of any member from the obligation to pay the Annual Assessment, or any installment thereof, for that or any subsequent assessment period. In the event of such omission, the Annual Assessment fixed for the preceding period shall continue until a new assessment is fixed.

(3) **Equitable Changes.** If the Annual Assessments levied at any time are, or will become, inadequate to meet the expenses incurred by the Association for any reason, including nonpayment of any Owner's Assessments on a current basis, the Board may determine the approximate amount of the inadequacy and adopt a resolution which establishes a supplemental budget and establishes the equitable change in the amount of the Annual Assessment or Private Lane Assessment. Owners shall be given at least twenty (20) days' written notice of any changes in the amount of an Assessment.

6.3 Purpose of Assessments.

The Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Community, and including, but not limited to: (a) The improvement and maintenance, operation, care, and services related to the Common Areas; (b) The payment of insurance premiums; (c) The costs of utilities and other services which may be provided by the Association for the Community; (d) The cost of labor, equipment, insurance, materials, management, legal and administrative fees incurred or expended in performing the duties under this Declaration or the Bylaws; (e) The cost of funding all reserves established by the Association, including a general operating excess and a reserve for replacements as provided below; and (f) Any other items properly chargeable as a Common Expense of the Association.

6.4 Special Assessments.

In addition to the Annual Assessments authorized in this article, the Association may levy a special assessment from time to time ("Special Assessment") for the purpose of defraying, in whole or in part, the costs incurred or to be incurred by the Association which cannot be paid for through other types of Assessments. The Board may authorize a Special Assessment for any lawful purpose provided, however, that any Special Assessment greater than \$500 per Member may only be levied if it is first voted upon by the Members and: (1) the votes cast favoring the action exceed the votes cast opposing the action, and (2) a quorum of 30% of the Members participates in the vote.

6.5 Individual Assessments.

Any expenses which are not common expenses and which benefit or are attributable to fewer than all of the Lots may be assessed exclusively against the Lots affected or benefitted ("Individual Assessments"). Individual Assessments shall include, but are not limited to: (1) Assessments levied against any Lot to reimburse the Association for costs incurred in bringing the Lot or its Owner into compliance with, or to otherwise defend or uphold, or carry out, the provisions of the Governing Documents, and for fines or other charges, including attorney fees, imposed pursuant to this Declaration for violation of the Governing Documents; (2) Expenses,

other than common expenses, relating to the cost of maintenance, repair replacement and reserves of the Lots to the extent incurred by the Association.

6.6 Reserve Funds.

(a) The Association shall establish and maintain a reserve fund for repairs and replacement of the Common Areas, for any emergency, unforeseen, unusual, or unanticipated expenditures, and for any other purpose determined from time to time by the Board by the allocation and payment to such reserve fund of an amount to be designated from time to time by the Board in its sole discretion and best business judgment or of an amount and in the manner as may be required by law. The fund shall be conclusively deemed to be a Common Expense of the Association and may be deposited with any banking institution, the accounts of which are insured by an agency of the United States of America or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America.

(b) The Association may establish such other reserves for such other purposes as the Board may from time to time consider to be necessary or appropriate.

(c) The Board's reasonable determination with respect to the amount of the reserve fund contribution shall be conclusively deemed appropriate absent intentional misconduct or gross mismanagement of Association funds. Except in such instances, individual Board members shall not be held liable for any potential or alleged under funding of the reserve account.

6.7 Fee Due on Transfer of Unit.

Each time legal title to a Lot passes from one person to another, within thirty (30) days after the effective date of such title transaction, the new Lot Owner shall pay to the Association, in addition to any other required amounts, a reinvestment fee, in the amount of \$250, or such other amount determined by the Board from time to time.

6.8 Nonpayment of Assessments.

The Annual Assessments shall be due and payable on a monthly basis on the first (1st) calendar day of each month, unless otherwise provided by the Board, and shall be delinquent if not paid by the 10th of the month or within such other period established by the Board from time to time. The due date of any Special Assessment or other Assessment shall be fixed in the resolution or document authorizing or levying the Assessment.

6.8.1. Interest. Delinquent payments shall bear interest from the eleventh (11th) day of the month, or such other date established by the Board (the "date of delinquency"), at the rate of 12% per annum, or such other rate established by the Board.

6.8.2. Late Charge. Each delinquent payment shall be subject to a late charge of Twenty-Five Dollars (\$25.00), or such other amount as determined by the Board from time to time.

6.8.3. Acceleration. If the delinquent installments of any Assessment, including an Annual Assessment, and any charges thereon are not paid in full, the Board, or its authorized agent, may declare all of the unpaid balance of the Assessment to be immediately due and

and the amount of expenses relating to the cost of maintenance, repair, replacement and

6.4. However, while

6.1. The Association shall establish and maintain a reserve fund for repairs and replacement
6.2. The Association may establish such other reserves for such other purposes as the Board
may determine to be necessary or appropriate.

6.3. The Board's reasonable determination with respect to the amount of the reserve fund
shall not be subject to judicial review or challenge by any member of the Association.

6.4. The Board may transfer to any person or entity within three (3) days of the
effective date of such transfer the right to exercise the power of the Association in
relation to any other person or entity, a certificate for the amount of \$250,000 or such other
amount determined by the Board from time to time.

6.5. Payment of assessments
The Annual Assessments shall be due and payable on a monthly basis on the first day of each
month of each month unless otherwise provided by the Board, and shall be independent of any
other dues or assessments within each other period established by the Board from time to time.
The date of any Special Assessment or other Assessment shall be fixed in the resolution or
document authorizing or levying the Assessment.

6.6. Delinquent payments shall bear interest from the date of delinquency at the rate of
the rate of interest established by the Board from time to time.

6.7. Each delinquent payment shall be subject to a late charge of
the late fee (not to exceed \$25.00) or such other amount as determined by the Board from time to time.

6.8. If the delinquent is in default of any Assessment, the Association
may declare all of the monthly balance of the Assessment to be immediately due and

payable upon not less than ten (10) days' written notice to the Owner, and may enforce the collection of the full Assessment and all charges thereon in any manner authorized by law and this Declaration. If, however, the Assessment is accelerated and an Owner subsequently files bankruptcy or the Board otherwise decides acceleration is not in its best interest, the Board, at its option and in its sole discretion, may elect to decelerate the obligation.

6.8.4. Rent Payments by Tenant to Association. If the Owner of a Lot who is leasing the Lot fails to pay an assessment for more than 60 days after the assessment is due, the Board may demand that the tenant pay to the Association all future lease payments due to the Owner, beginning with the next monthly other periodic payment, until all amount dues to the Association are paid. Such demand to the tenant shall be made in accordance with the law and the written procedures of the Association. The Board, or its agent, shall give the Owner written notice of its intent to demand full payment from the tenant and such notice shall be made in accordance with the law and the written procedures of the Association.

6.8.5. Termination of Common Services and Facility Use. If an Owner fails or refuses to pay an assessment when due, the Board may, after giving notice and an opportunity to be heard in accordance with the law and the written procedures of the Association, terminate an Owner's right: (1) to receive any service paid as a common expense, including but not limited to utility services; and (2) of access and use of recreational facilities. If a hearing is requested, utility services or right of access and use of the recreational facilities may not be terminated until after the hearing has been conducted and a final decision has been rendered by the Board. In the event that the Association incurs costs to terminate any such utility service, the defaulting Owner shall be responsible for all such costs. Upon payment of the assessment due, including any interest, late charge, and costs of collection, the Board shall immediately take action to reinstate the terminated utility services to the Lot.

6.8.6. Other Remedies. The right of a Member to vote shall be automatically suspended during any period of delinquency, unless otherwise determined by the Board. A Board member shall become immediately ineligible to serve on the Board and automatically dismissed from such position if delinquent more than 60 days in the payment of any Assessment. The Association shall have each and every remedy for collection of assessments provided in the Utah Community Association Act, Utah Code Title 57, Chapter 8a, as amended from time to time, and the provisions of the Act shall be deemed to be fully set forth herein when required by such Act in order to exercise any such remedy.

6.9 Lien.

All Assessments imposed shall be a charge and continuing lien upon each of the Lots against which the assessment is made in accordance with the terms and provisions of this Article and shall be construed as a real covenant running with the land. In a voluntary conveyance, the grantee of a Lot shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for his share of the unpaid assessments up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee. The Association and each Owner of a Lot hereby conveys and warrants pursuant to U.C.A. § 57-1-20 and 57-8a-402 to the attorney of the Association, with power of

provision shall be in full force and effect (10 days) within which the Owner may not be subject to the provisions of the Bill Assessment and all charges thereon in any manner authorized by law and the Association. If however, the Assessment is accepted and an Owner subsequently files a petition with the Board otherwise decides acceleration is not in its best interest, the Board, at its option and in its sole discretion, may elect to accelerate the obligation.

6.8.4. Right to Cure by Payment to Association. If the Owner of a Lot who is delinquent in paying an assessment for more than 60 days after the assessment is due, the Board may demand that the delinquent pay to the Association all future fees payments due to the Association beginning with the next monthly other periodic payment, until an amount equal to the Association's unpaid balance is received by the Board. Such demand to the Board shall be made in accordance with the law and the written procedures of the Association. The Board, or its agent, shall give the Owner written notice of its intent to demand full payment from the owner and such notice shall be made in accordance with the law and the written procedures of the Association.

6.8.5. Termination of Common Services and Facilities Use. If an Owner fails to satisfy a debt or assessment when due the Board may, after giving notice and an opportunity to be heard in accordance with the law and the written procedures of the Association, terminate an Owner's right (1) to receive any services or use of recreational facilities, including but not limited to utility services; and (2) to access and use of recreational facilities. If a hearing is requested, utility services or rights of access and use of recreational facilities may not be terminated until after the hearing has been concluded and a final decision has been rendered by the Board. In the event that the Association incurs costs to terminate any such utility service, the delinquent Owner shall be responsible for all such costs. Upon payment of the assessment due, including any interest, late charges, and costs of collection, the Board shall immediately take action to reinstate the terminated utility services to the Lot.

6.8.6. Other Remedies. The right of a Member to vote shall be automatically suspended during any period of delinquency, unless otherwise determined by the Board. A delinquent member shall become financially liable to pay to the Board and Association, in addition to any other amounts due, the amount of any assessment delinquent from such member (delinquent more than 60 days in the payment of any Assessment). The Association shall have such and every remedy for collection of assessments provided in the Uniform Common Law Association Act (Ohio Code Title 57, Chapter 88) as provided for in this Act, and the provisions of the Act shall be deemed to be fully and forthwith applied to the extent necessary to enforce any such remedy.

6.9. Liens. All Assessments imposed shall be a charge and continuing lien upon each of the Lots against which the assessment is made in accordance with the terms and provisions of this Act and shall be deemed as a real covenant running with the land. In a voluntary conveyance, the grantor of a Lot shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for his share of the unpaid assessments up to the time of the grant or conveyance. A lien is granted to the grantor's benefit to recover from the grantor the amount paid by the grantor. The Association and each Owner of a Lot hereby consent and warrant payment to L.C.A. 2-21-30 and 2-21-30-92 to the attorney of the Association, with power of

sale, each Lot and all improvements to each Lot for the purpose of securing payment of assessments under the terms of the Declaration.

6.10 *Enforcement of Lien.*

The Association may enforce the lien for any Assessment, including Annual, Special, Individual or otherwise, pursuant to the provisions of this Declaration. The lien is imposed upon the Lot against which the Assessment is made. The lien is established and may be enforced for damages, interest, costs of collection, late charges permitted by law, and attorneys' fees provided for in this Declaration (whether or not a legal proceeding is initiated) or by law or awarded by a court for breach of any provisions of the Governing Documents. The lien maybe foreclosed judicially or non-judicially consistent with the laws of the state of Utah for the non-judicial foreclosure of Deeds of Trusts. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Upon completion of the foreclosure sale, an action may be brought by the Association or the purchaser at the sale in order to secure occupancy of the defaulting Owner's Lot, and the defaulting Owner shall be required to pay the reasonable rental value of such Lot during any period of continued occupancy by the defaulting Owner or any persons claiming under the defaulting Owner. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental value without regard to the value of the security.

6.11 *Appointment of Trustee.*

The Association and each Owner hereby appoints the attorney of the Association who has been retained by the Association at the time a foreclosure is initiated as trustee for the purpose of exercising the power of sale in connection with non-judicial foreclosures as provided in Title 57, Chapter 1, Utah Code and made applicable hereto by Title 57, Chapter 8a, Utah Code Ann., as may be amended from time to time.

6.12 *Subordination of Lien to Mortgages.*

The lien of the Assessments provided for in this article shall be subordinate to the lien of any first mortgagees or deeds of trust now or hereafter placed upon the Lot subject to assessment, except as follows: the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. Such sale or transfer shall not relieve the Lot from liability for any Assessments thereafter becoming due, or from the lien of any future assessment.

6.13 *Personal Obligation and Costs of Collection.*

Assessments imposed under this Declaration, together with interest at a rate to be established by resolution of the Board, not to exceed the maximum permitted by law, and costs and reasonable attorneys' fees incurred or expended by the Association in the collection thereof (whether or not a lawsuit is initiated), shall also be the personal obligation of the Owner holding title to any Lot at the time when the assessment became due.

6.14 *Duty to Pay Independent.*

No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be

... of the Association to each lot for the purpose of securing payment of assessments under the terms of the Declaration.

1.10. Appointment of Lien

The Association may enforce the lien for any Assessment, including Annual Special Assessments, in the same manner as provided in this Declaration. The lien is imposed upon the lot, and the assessment is made. The lien is established and may be enforced for damages, interest, costs of collection, and charges permitted by law, and attorney's fees provided for in this Declaration (whether or not a legal proceeding is initiated) or by law or awarded by a court. The lien may be foreclosed judicially or non-judicially, and with the same force and effect as a lien for the non-judicial foreclosure of a mortgage. The Association, through duly authorized agents, shall have the power to file a lien on a foreclosed sale, and to acquire and hold, lease, mortgage and convey the same. A lien on the lot in order to secure payment of the delinquent Owner's Lot and any delinquent Owner shall be required to pay the reasonable cost of such lien, including any period of continued occupancy by the delinquent Owner or any person claiming under the delinquent Owner. The Association shall be entitled to the appointment of a receiver to collect the total amount of the reasonable cost of such lien without regard to the value of the property.

1.11. Appointment of Trustee

The Owner shall be responsible for obtaining such compliance and shall be liable for any failure of compliance by such persons in the same manner and to the same extent as if the failure had been committed by the Owner.

11.5 Waiver, Precedent and Estoppel. 11.6 Interpretation. All questions of interpretation or construction of any of the covenants or restrictions in this Declaration shall be resolved by the Board, and its decision shall be final, binding and conclusive on all parties affected for all purposes.
