

Hawk Haven Home Owners Association

This form must be submitted with the Home Owner's request. If a request is submitted without this form and the Home Owner has not answered the required information below as part of this request, it will delay the review process. Requests must be submitted a **minimum of 72 hours before a project is scheduled to begin.**

No work can begin without written authorization from the Hawk Haven Homeowners Association. ALL work must be completed within one (1) year from date of Hawk Haven HOA Approval

Homeowners who wish to make additions or changes to structures or landscape, including, but not limited to any exterior walls, doors, windows, fences, decks, awnings, roofs, driveway extensions, staining, painting, patios, etc., must perform and complete the planning steps.

INDICATE BELOW THE STATUS OF THESE STEPS AT THE TIME OF THIS APPLICATION

Yes	No	N/A	Required Step
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	DETAILED PLAN, LIST & COLORS OF MATERIALS: Submit a detailed plan of the layout, dimensions, style, and size of proposed project. The detailed plan must include the layout of the house and any existing outbuildings as they are currently located on the property. Include a list of proposed building materials and colors that are to be used.
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	PROPERTY LINES: Property lines are staked if the project is within four (4) feet of any property line.
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	ADJACENT OWNERS: HOA Property Homeowners that are immediately adjacent to the project must be notified of proposed work and their written support or approval must accompany this application. <u>IF HOA authorization is made, then local noise and activity ordinances must be followed.</u>
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	PERMIT: Contact the City Building / Planning department to determine if the scope of the project requires any permitting
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	PERMIT: Apply and pay for all necessary permits with the City & County and display permits as required. Note: HOA written approval is required to complete permit application.
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	BLUE STAKE: IF Owner is digging soil in any new locations on the property, then the property must be 'Blue Staked' (call 811) to indicate existing utilities / communications underground piping / wiring.
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	SPRINKLER: The HOA's property management company must be contacted to ensure HOA sprinklers & control boxes will not be damaged or access for maintenance is not blocked by the project. If sprinkler lines, etc. need to be moved or repaired as a result of the project, it will be done at the homeowner's expense by the HOA's contracted Landscape contractor.

Hawk Haven Home Owners Association

Submit all of the above documentation to the Architectural Review Committee for review and approval.

By Mail: **Welch-Randall Property Management** c/o, 5300 South Adams Avenue, #8, Ogden, UT 84405

By Email: **info@welchrandall.com** "ARC REVIEW" must be in the subject line of the email with the project property address

NOTICE FROM HOME OWNER'S ASSOCIATION & MANAGEMENT

Neither the board members, committee members nor management are trained or licensed to provide the home owner with professional advice regarding the physical condition of any property or regarding legal or tax matters. The association and management strongly recommend that in connection with any changes to the property, the home owner retain the professional service of legal and/ or tax advisors, property inspector, surveyors, and other professionals to satisfy the home owner as to any and all aspect of the physical and legal condition of the property. HOME OWNER IS ADVISED NOT TO RELY ON THE ASSOCIATION, OR ON ANY AGENTS OF THE COMPANY/HOA, FOR A DETERMINATION REGARDING THE PHYSICAL OR LEGAL CONDITION OF THE PROPERTY, including, but not limited to, the condition of plumbing systems, electrical systems, moisture or other problems with the roof or foundation, sewer problems, the availability and location of utilities, the exact square footage or acreage of the property, or the location of property lines.

Copy of appropriate requests will be sent by the HOA's property management company to the HOA's contracted landscape contractor for review and verification should the HOA's sprinkler systems be involved.

Failure to follow the above review & application process may result in fines, and removal of the unapproved project at the homeowner's expense, as well as a Cease & Desist Order.
