

Aberdeen Homeowners Association

Parked Cars Policy

In an effort to keep our community functioning at its best, the Board of the Aberdeen Association has adopted the following policy regarding parking:

Homeowners shall not block any sidewalk with their vehicles, park two deep in a driveway, or park as to obstruct driveways. Cars shall not be parked within 3-5 feet of someone's driveway or a corner; this is required by Murray City Ordinance.

The entire Aberdeen community thanks you for your cooperation.
