NOTICE FROM HOME OWNER'S ASSOCIATION & MANAGEMENT

Neither the board members, committee members nor management are trained or licensed to provide the home owner with professional advice regarding the physical condition of any property or regarding legal or tax matters. The association and management strongly recommend that in connection with any changes to the property, the home owner retain the professional service of legal and/ or tax advisors, property inspector, surveyors, and other professionals to satisfy the home owner as to any and all aspect of the physical and legal condition of the property. HOME OWNER IS ADVISED NOT TO RELY ON THE ASSOCIATION, OR ON ANY AGENTS OF THE COMPANY/HOA, FOR A DETERMINATION REGARDING THE PHYSICAL OR LEGAL CONDITION OF THE PROPERTY, including, but not limited to, the condition of plumbing systems, electrical systems, moisture or other problems with the roof or foundation, sewer problems, the availability and location of utilities, the exact square footage or acreage of the property, or the location of property lines.

Copy of appropriate requests will be sent by the HOA's property management company to the HOA's contracted landscape contractor for review and verification should the HOA's sprinkler systems be involved.

Any modification or relocation of the HOA's sprinkler systems **MUST BE COMPLETE PRIOR** to any disruption of the existing soils or landscaping.

Failure to follow the above review & application process may result in a Cease & Desist Order and possible removal of the unapproved project at the homeowner's expense.

The Owner hereby attests that all statements or responses herein are true and complete.
