I - Architectural Requests need to be submitted as soon as possible (within the next 30 days) -- a detailed plan of the request. If removing trees, just remove them. If you're going to add shrubs or bushes or trees, the type of shrubs or bushes or trees (and a photo of the tree) needs to be submitted as well, and that will be kind of elaborated when we do the waterwise review.

II – Parks are getting cleaned up and dog waste stations are being installed. If you have any complaints about the parks, submit them.

III – Dumpsters for spring cleanup were discussed.

The meeting was adjourned at 6:15
