

SOUTH HILLS POD 4 HOA

Rules & Regulations

Adopted June 24, 2022

In accordance with Article (XIII) section 13.3 of the CC&R's, the Association shall have the right to adopt rules and regulations with respect to all other aspects of the Association's rights, activities, and duties..." It is understood that such rules shall apply and be binding upon all Unit Owners, tenants, subtenants or other occupants of the Units. The Unit Owner is responsible for communicating the Rules & Regulations to occupants and guests and will be liable for fines incurred and damages caused by occupants and guests.

These Rules and Regulations have been adopted with the intent of clarifying, not replacing, certain points of the CC&R's. All owners should be familiar with both the Rules and Regulations and the CC&R's. This will help maintain the community as a first-class Association and provide residents with guidelines for living together as neighbors. As such, the Board of Trustees has unanimously adopted the following rules and regulations as of June 24, 2022.

Owners have the right to petition the community to change a regulation if he/she feels that a particular regulation no longer applies or is unduly restrictive of the majority.

Effective Rules and Regulations require the cooperation of all residents of the Association. The best approach to resolving a difference with a neighbor is to talk to your neighbor directly. However, should this not resolve the problem, an official complaint can be filed with the association manager. Each resident's cooperation and participation is encouraged. This is your Association and these are your rules. Let's work together to have a great community.
