Each and all of the provisions hereof are hereby declared to be in furtherance of the general plan and scheme of condominium ownership, and are further declared to be for the benefit of the Project and every part thereof, and for the benefit of each Unit Owner. All provisions hereof shall be deemed to run with the land as covenants running with the land or as an equitable servitude, as the case may be, and shall bind all persons hereafter acquiring or owning any interest in the Project; however such interest may be obtained.

III. COVENANTS, CONDITIONS AND RESTRICTIONS

1. The Building and Facilities. The Building has been constructed as shown in the Map. The Building is a multi-unit structure containing a total of twenty-five (25)

single family residential Units.

2. Parking. As appears more fully in Exhibit A, the Project contains a number of covered parking stalls which constitute Parking Units (Numbers 1 through 25). All motor vehicles in the Project shall be subject to the following restrictions:

a. The parking rules and regulations as they may be adopted or amended by the Board from time to time;

b. The parking areas are not designed for Recreational, Commercial or Oversized motor vehicles which must be parked or stored outside the Project.

c. No motor vehicle or trailer, including but not limited to any car, automobile, truck, van, Recreational, Commercial or Oversized vehicle or any other transportation device of any kind may be parked or stationed (except for purposes of loading or unloading), in such a manner so as to create an obstacle or potentially dangerous situation, or along any street or road, or in front of the Buildings or any Parking Unit, carport, driveway, walkway or in an unauthorized Common Area.

d. Residents may only park their motor vehicles within their Parking Units, carports, or in other designated Common Areas.

e. Residents may not park their motor vehicles in "red zones," "fire lanes," or unauthorized areas.

f. Visitors or guests shall park their motor vehicles in Common Areas designated for "guest" or "visitor" parking.

g. No Owners or Residents shall repair or restore any vehicle of any kind in, on or about any Unit or the Common Area, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility.

h. No carport or Parking Unit may be altered in such a manner that the number of motor vehicles which may reasonably be parked therein after the alteration is less than the number of motor vehicles that could have been reasonably parked in the carport or Parking Unit as originally designed and constructed.

i. No motor vehicle shall be parked in such a manner as to inhibit or block access to a Unit, carport, Parking Unit, entrance, exit or parking area.

j. All parking areas shall be used solely for the parking and storage of motor vehicles used for personal transportation. All vehicles must be registered, licensed and operable.

k. Vehicles parked in violation of this Declaration or parking Rules and Regulations adopted by the Board of Trustees may, without further notice, be impounded, towed and stored, at the Owner's sole risk and expense. The Association, Board of Trustees and members of the Board shall be indemnified, saved and held harmless from any loss, damage or claim caused by or arising out of the impounding, towing or storing of a motor vehicle pursuant hereto.

3. Nature and Incidents of Condominium Ownership. The Project is hereby divided

into Condominium Units: each consisting of a fee simple interest in a Unit and an undivided fee simple interest in the Common Areas in accordance with the attached Exhibit "A" setting forth the respective percentage of undivided interest in the Common Areas appurtenant to each Unit. Such undivided interests in the Common Areas are hereby declared to be appurtenant to the respective Units. The proportionate share of the Unit Owners in the Common Areas is based on the proportionate value that each of the Units bears to the total value of the property as set forth in Exhibit "A."

4. Limited Common Area. Limited Common Area is reserved for the use of a certain Unit Owner to the exclusion of the other Owners. The Limited Common Areas shall consist of decks, (or balconies), fireplaces, parking stalls, and storage areas as indicated in the Map. The deck adjoining a Unit shall be used in connection with such Unit to the exclusion of the use thereof by the other Unit Owners. Owners may not extend their deck as physically constructed and as shown on the Map onto the roof area. The right of exclusive use of a Limited Common Area shall not be separated from the Unit to which it relates. The storage space, identified on the Map with the same number by which the Unit is identified on the Map, shall be used in connection with such Unit to the exclusion of the use thereof by the other Owners of Common Areas except by invitation.

5. Vesting of Title. Title to a Unit may be held or owned by any person or entity and in any manner in which title to any other real property may be held or owned in the State of Utah, including, but without limitation, joint tenancy or tenancy in common.

6. Partition. No part of a Unit or the legal rights comprising ownership of a Unit may be separated from any other part thereof during the period of condominium ownership prescribed herein, so that each Unit, the undivided interest in the Common Areas appurtenant to such Unit, and the exclusive right to use and occupy the Limited Common Area appurtenant to such Unit, shall always be conveyed, devised, encumbered, and otherwise affected only together and may never be separated from one another. Every gift, devise, bequest, transfer, encumbrance, conveyance or other disposition of a Unit or any part thereof shall constitute a gift, devise, bequest, transfer, encumbrance, or conveyance respectively, of the entire Unit, together with all appurtenant right created by law or by this Declaration.

7. Common Areas. The Common Areas shall be owned in common by all the Owners of Units, and no Unit Owner may bring any action for partition thereof.

8. Right to Use and Enjoy. Subject to the limitations contained in this Declaration, each Unit Owner shall have the non-exclusive right to use and enjoy the Common Areas and Facilities, and shall have the exclusive right to use and enjoy the Limited Common Areas designated herein for exclusive use by such Unit Owner.

9. Decoration of Interior Space. Each Owner shall have the exclusive right at his sole cost and expense to maintain, repair, paint, re-paint, tile, wax, wallpaper, cover, or otherwise refinish and decorate the interior surfaces of the walls, ceilings, floors, and doors forming the boundaries of his Unit and all walls, ceilings, floors, and doors within such boundaries.

10. Encroachment. If any part of the Common Area encroaches or shall hereafter encroach upon a Unit or Units, an easement for such encroachment and for the maintenance of the same shall and does exist. If any part of a Unit encroaches or shall hereafter encroach upon the Common Areas, or upon an adjoining Unit or Units, an easement for such encroachment and for the maintenance of the same shall and does exist. Such encroachments shall not be considered to be encumbrances either on the Common Areas or the Units. Encroachments referred to herein include,

but are not limited to encroachments caused by error in the original construction of the Building or the improvements on the Property, by errors in the Map, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any part thereof.

11. Access. Some of the Common Areas are or may be located within the Units or may be conveniently accessible only through the Units. The Owners of the other Units shall have the irrevocable right, to be exercised by the Board of Trustees as their agent, to have access to each Unit and to all Common Areas and Facilities from time to time during such reasonable hours as may be necessary for the maintenance, repair or replacement of any of the Common Areas or improvements located therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Areas and Facilities or to another Unit or Units. The Board of Trustees shall also have such right independent of any agency relationship. Damage to the interior of any part of a Unit or Units resulting from the maintenance, repair, emergency repair or replacement of any of the Common Areas and Facilities or as a result of emergency repairs within another Unit at the insistence of the Board of Trustees or of Unit Owners shall be an expense of all the Unit Owners; provided, however, that if such damage is the result of negligence of the Owner of a Unit, then such Owner shall be financially responsible for all of such damage. Such damage shall be repaired and the property shall be restored substantially to the same condition as existed prior to damage. Amounts owing by Owners pursuant hereto shall be collected by the Board of Trustees by judgment, lien or foreclosure as set forth below. Each Owner shall have the right to ingress and egress over, upon and across the Common Areas necessary for access to his Unit and to the Limited Common Areas designated for use in connection with his Unit, and each Owner shall have the right to the horizontal and lateral support of a Unit, and such rights shall be appurtenant to and pass with the title to each Unit.

12. Special Rights of Board of Trustees. The Board of Trustees shall have a non exclusive easement to make such use of the Common Areas and Facilities as may be necessary or appropriate to perform the duties and functions which it is obligated or permitted to perform pursuant to this Declaration, including the right to construct and maintain in the Common Areas maintenance and storage facilities for use by the Board of Trustees.

13. Easements. All conveyances of Units hereafter made shall be deemed to grant and reserve such reciprocal easements as shall give effect to the rights set forth above even though no specific reference to such easements appears in any such conveyance.

14. Description of a Unit. Every contract for the sale of a Unit and every other instrument affecting title to a Unit may describe that Unit by the number shown on the Map with the appropriate reference to the Map and to this Declaration, as each shall appear on the records of the County Recorder of Salt Lake County, Utah, in substantially the following fashion:

UNIT NO. _____ as shown in the Record of Survey Map for DONNER PLACE, A CONDOMINIUM PROJECT, appearing in the records of the County Recorder of Salt Lake County, Utah, in Book _____, at Page _____ of Plats and as defined and described in the AMENDED AND RESTATED DECLARATION OF CONDOMINIUM OF THE DONNER PLACE CONDOMINIUM PROJECT, appearing in such records in Book _____, at Page _____ of the Official Records, together with an undivided ownership interest in and to the Common Areas appurtenant thereto.

Such description will be construed to describe the Unit, together with the appurtenant undivided interest in the Common Areas and Facilities, and to incorporate all the rights incident to ownership of

a Unit and all the limitations of such ownership as described in this Declaration.

15. Board of Trustees, Rights and Obligations. The business, property and affairs of the Association shall be managed by the Board of Trustees composed of five (5) members, who shall serve three (3) year terms and shall be elected and serve subject to the following restrictions:

a. Eligible Votes/Cumulative Voting. No vote shall be cast or counted for any Unit not in good standing. At the Annual Meeting each unit Owner may vote his percentage of undivided ownership interest in favor of as many candidates for Board membership as there are seats on the Board to be filled.

b. Multiple Owners. When more than one person or entity holds such interest in a Unit, the vote for such Unit shall be exercised as those persons or entities themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the vote of the Unit shall be suspended in the event more than one person or entity seeks to exercise it.

c. Vote of a Unit Which Has Been Leased. Any Owner of a Unit which has been leased may, in the lease or other written instrument, assign the voting right appurtenant to that Unit to the lessee, provided that a copy of such instrument is furnished to the Secretary at least three days prior to any meeting,

d. Qualify. To qualify, a Member of the Board must be an individual Owner or the legal representative of an organizational Owner in good standing.

e. Vacancies. Any vacant seat on the Board shall be filled with a Member of the Association duly elected or appointed.

f. Meetings. The Board shall meet at least once every calendar month.

g. Dismissal. Any Board member who fails on three (3) successive occasions to attend Board meetings (whether regular or special) or who has failed to attend at least twenty five percent (25%) of all Board meetings (whether regular or special) held during any twelve (12) month period shall automatically forfeit his seat. In such cases, the remaining Board Members shall elect a replacement to sit on the Board until the next meeting of the Association.

h. Removal of Board Members. Board Members may be removed at any time by the affirmative vote of a majority of the Members of the Association.

i. Replacement. Board Members who resign or are dismissed pursuant to subsection (h) above shall be replaced by an appointment of the remaining Members of the Board. Board Members removed by the affirmative vote of a majority of the Members of the Association shall be replaced by election by a Majority of the Members of the Association present at a special meeting called for that purpose. A replacement Member shall finish the term of office of the original Member of the Board whom he replaced.

j. Completion of Term. Unless he resigns, is dismissed, removed by the affirmative vote of a Majority of the Members of the Association or otherwise loses his seat as herein provided, a Member shall serve on the Board until his successor qualifies and is properly appointed or elected.

k. No Compensation. Board members shall not be compensated for their

services (unless compensation is approved by a majority of the members of the Association) but shall be reimbursed for all expenses reasonably incurred in connection with Board business and approved by the Board.

16. Status and General Authority of Board. Any instrument executed by the Board of Trustees that recites facts which, if true, would establish the Board's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated below, constitute a legal entity capable of dealing in its own name. The Board of Trustees shall have, and is hereby granted, the following authority and powers:

a. To Enter. The power and authority to enter into or upon any Unit or Limited Common Area to make repairs and to do other work reasonably necessary for the proper maintenance and operation of the Project. Except in the case of an emergency, reasonable notice shall be given to the Residents.

j. Meetings. The authority to establish procedures for the presiding over and conducting of Association and Board meetings. This includes but is not limited to the power to decide if the meeting or any part thereof shall be open or closed to Members of the Association or Residents not on the Board, retire to executive session, regulate record keeping, and regulate, control or prohibit the electronic reproduction (e.g., video, audio, etc.) of Association or Board meetings.

k. Assignment or Leasing of Open Common Area Parking Spaces; User and Move-In/Move-Out Fees. The authority to assign or lease overflow or excess parking spaces to Residents, to charge a user fee for the recreational amenities, or to assess a move-in and move-out fee.

l. All other Acts. The power and authority to perform any and all other acts, and to enter into any other transactions which may be reasonably necessary for the Board of Trustees to perform its functions on behalf of the Owners and the Association.

17. Operation, Maintenance and Alterations. Each Unit, all Limited Common Area, and the Common Area shall be maintained, repaired and replaced subject to the following restrictions:

a. Clean & Attractive Condition. The Units, Limited Common Area and Common Area shall be maintained in a usable, clean, functional, attractive and good condition, consistent with Community Standards.

b. Area of Common Responsibility. The Association shall maintain, repair and replace all of the Common Area and Facilities. This includes the exterior surfaces of the Building, painting, the replacement of trim, the maintenance and repair of roof, gas, sewer and other common utility lines, and all other improvements or materials located within or used in connection with the Common Areas and Facilities, swimming pool, tennis courts, social center, common landscaping, green space, flower beds, sprinkler system, the entrance to and exit from the Project, and all foundations, columns, girders, beams, supports, main walls, roofs, halls, corridors, lobbies, stairs, stairways, fire escapes, entrances and exits of the Building, Parking Units, open parking and storage areas, and any common item not included in the Area of Personal Responsibility.

c. Area of Personal Responsibility. Each Owner shall reasonably maintain, repair and replace his Unit, including his individual utility services, furnace and heating system, refrigeration and air conditioning system, fixtures, windows and doors. Each Owner shall maintain his Limited Common Area in a clean, attractive, tidy, uncluttered, safe, sanitary and functional condition so as not to detract from the uniform appearance or design of the Project and in a manner consistent with Community Standards.

d. Utilities. Each Owner shall pay for his electricity, power, lights, phone, cable television and any other individual utility services not the express responsibility of the Association. The Association shall pay for all gas, garbage pick-up and sewer charges.

e. Neglect. If the Board determines that any Owner has failed or refused to discharge properly his duties under the Area of Personal Responsibility or that the need for maintenance, repair, or replacement of the Common Area and Facilities is caused through the willful or negligent act of any Owner, his family, guests, lessees, or invitees, and it is not covered or paid by insurance, in whole or in part, then the Association may, but is not obligated to, provide such maintenance, repair or replacement at the Owner's sole cost and expense, subject to the following:

(1) Notice of Intent to Repair. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide necessary maintenance, repair, or replacement at Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Board. The Owner shall have ten (10) days after receipt of notice within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within ten (10) days.

(2) Emergency Situation. In an emergency, prior notice is not required but written notice of the day, date, time, nature of the repair and the name and title of the person or persons making the repair shall be given to the Owner and/or Resident.

(3) Right of Entry. The Association or its agents or employees shall have a right to entry upon or into any Unit or Limited Common Area as necessary to perform such work and shall not be liable for trespass for such entry or work.

(4) Debt and Lien. The amount of the expenses referred to above is the debt of the Owner at the time the assessment is made and is collectible as such. If any Owner fails or refuses to pay said expenses when due, that amount constitutes a lien on the interest of the Owner in the Property.

f. Alterations to the Common Area. No Owner or Resident may make any structural alterations to the Common Area (including the Limited Common Area) without the prior written consent of the Board.

g. Landscaping. All landscaping in the Project shall be maintained and cared for in a manner consistent with the standards of design and quality originally established by the original Declarant and in accordance with Community Standards. Specific written guidelines, standards, controls, and restrictions on landscaping may be adopted or amended by the Board from time to time. All landscaping shall be maintained in a neat and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be neatly trimmed. In a word, all landscaping shall be tasteful, so as not to affect adversely the value or use of any other Unit, or to detract from the uniform design and appearance of the Project.

h. Services. The Board of Trustees may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel as the Board of Trustees shall determine to be necessary or desirable for the proper operation of the Project, whether such personnel are furnished or employed directly by the Board of Trustees or by any person or entity with whom or which it contracts. The Board of Trustees may delegate some of its management responsibilities to a professional management company, an experienced on-site manager, independent contractors, or through service contracts; provided, however, and anything to the contrary notwithstanding, the Board may elect to terminate any such contract entered into upon at least sixty (60) days prior written notice and no such contract shall be for a term greater than one (1) year. The Board of Trustees may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Project or the enforcement of this Declaration. The Board of Trustees may arrange with others to furnish lighting, heating, water, trash collection, snow removal, pool service, grounds maintenance, sewer service, and other common services to each Unit.

i. Personal Property. The Board of Trustees may acquire and hold for the use and benefit of all of the Owners tangible and intangible personal property and may dispose of the same by sale

or otherwise, and the beneficial interest in any such property shall be deemed to be owned by the Owners in the same proportion as their respective interests in the Common Areas. Such interest shall not be transferable except with the transfer of a Unit. A transfer of a Unit shall transfer to the transferee ownership of the transferor's beneficial interest in such property without any reference thereto, and such beneficial interest may in no event be reserved by the transferor of a Unit. Each owner may use such property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of other Owners. The transfer of title to a Unit under foreclosure shall entitle the purchaser to the interest in such personal property associated with the Foreclosed Unit.

j. Implied Powers. The Board of Trustees may exercise any other right or privilege given to it expressly by this Declaration or by law and every other right or privilege reasonably to be implied from the existence or any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

18. Assessments.

a. Covenant to Pay Proportionate Share of Common Expenses. Each Unit Owner by the acceptance of a deed or other document of conveyance to a Unit, whether or not it be so expressed in the deed or document, shall be deemed to covenant and agree with each other to pay to the Association his share of the Common Expenses and any assessments established by the Board of Trustees for the purposes provided in this Declaration. Such assessments shall be fixed established and collected from time to time in the manner provided hereunder.

b. Basis. The Common Expenses shall be based upon advance estimates of cash requirements by the Board of Trustees to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas and Facilities or furnishing utility services to the Units, which estimates may include, among other things, expenses of management grounds maintenance, taxes and special assessments levied by governmental authorities; premiums for all insurance which the Board of Trustees is required or permitted to maintain pursuant hereto, common utilities, lighting, power, gas, cooling and heating; water charges, trash collection, sewer service charges, repairs and maintenance, wages and benefits for Board of Trustees employees; legal and accounting fees; any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus and/or sinking fund; and any other expenses and liabilities which may be incurred by the Board of Trustees for the benefit of the Owners under or by reason of this Declaration.

c. Apportionment. Common Expenses shall be apportioned among all Units in proportion to their respective undivided interests in the Common Areas.

d. Payment. Annual assessments shall be made on a calendar year basis. The Board of Trustees shall give written notice to each Owner as to the amount of the annual assessment with respect to his Unit not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next calendar year. Unless otherwise determined by the Board of Trustees in its sole discretion, each annual assessment shall be due and payable in monthly installments on the 1st day of each and every month and no separate notices of such monthly installments shall be required. Payments received after the tenth (10th) day of the month in which they were due shall be assessed a late fee in a sum equal to five (5.0%) percent of the payment or twenty-five and no/100ths dollars (\$25.00), whichever is greater, unless otherwise determined by the Board of Trustees. Default interest at the rate of eighteen (18%) percent per annum (unless otherwise determined by the Board of Trustees) shall accrue on delinquent accounts from the date it becomes due and payable if not paid within thirty (30) days after such date.

e. Equitable Changes. If the aggregate or all monthly payments on all of the Units is too large or too small as a result of unanticipated income or expenses, the Board may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the percentage of ownership interest in the Common Area, not greater than fifteen (15%) percent of the Assessment in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

f. Reserve Accounts. The Board shall establish and maintain a reserve account to pay for unexpected operating expenses and capital improvements. The reserve account shall be funded out of regular Assessments.

g. Capital Improvement Table. The Board shall establish and update at least annually a Capital Improvement Table which shall list each major capital improvement in the Project (e.g. roofs, swimming pool, tennis courts, parking lot, entryway, sidewalks, etc.), each item's expected useful life, the present cost of replacement, the estimated cost to replace the item at the end of its useful life, the percentage, portion and amount of the assessment currently set aside in the reserve account to replace the item at the end of its useful life, and the amount of money currently set aside in the reserve account for the replacement of the item.

h. Acceleration. Assessments shall be paid in the manner and on dates fixed by the Board who may, at its option and in its sole discretion, elect to accelerate the entire annual Assessment for delinquent Owners. If, however, the Assessment is accelerated and an Owner subsequently files bankruptcy or the Board otherwise decides acceleration is not in its best interest, the Board, at its option and in its sole discretion, may elect to deaccelerate the obligation.

i. Other Assessments. In addition to the annual assessments authorized hereunder, the Board of Trustees may levy in any calendar year:

(1) Special Assessments. A Special Assessment, payable over such a period as the Board of Trustees may determine, for the purpose of defraying in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or for any other unanticipated expense incurred or to be incurred as provided in this Declaration. Any amounts assessed pursuant hereto shall be assessed to Owners equally in proportion to their respective undivided interest in the Common Areas.

(2) Specific Assessments. A Specific Assessment if the Owner has the choice to accept or reject the benefit, provided:

(a) Benefit Only to Specific Unit. If the expense benefits less than all of the Units, then those Units benefitted may be specifically assessed, and the specific assessment shall be equitably apportioned among those Units according to the benefit received.

(b) Unequal or Disproportionate Benefit. If the expense benefits all Units, but does not provide an equal benefit to all Units, then all Units shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Units according to the benefit received.

(3) Individual Assessments. A fine or individual Assessments may be levied by the Board against a Unit and its Owner as a charge or to reimburse the Association for:

- (a) Additional Charges;
- (b) Costs incurred in enforcing the Project Documents;
- (c) Costs associated with the maintenance, repair, or replacement of Common Area for which the Unit Owner is responsible;
- (d) Any other charge, fee, fine, due, expense, or cost designated as an Individual Assessment in the Project Documents; and
- (e) Attorneys' fees, interest, and other charges relating thereto as provided in this Declaration and the other Project Documents.

Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. This paragraph shall not be construed as an independent source of authority for the Board of Trustees to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other paragraphs hereof which shall make specific reference to this paragraph. Notice in writing of the amount of any assessment and the time for payment thereof shall be given promptly to the Owners, and no payment shall be due less than thirty (30) days after such notice shall have been given.

j. **Liens.** If any Owner fails or refuses to make any payment of the Common Expenses or an Assessment when due, that amount constitutes a lien on the interest of the owner in the property, and:

(1) **Priority.** Such lien shall be superior to all other liens and encumbrances on such Unit, except only for: (a) valid tax and special assessment liens on the Unit in favor of any governmental assessing authority and (b) encumbrances on the interest or the Unit Owner recorded prior to the date notice of the lien provided for herein is recorded which by law would be a lien prior to subsequently recorded encumbrances. All other lienors acquiring liens on any Unit after this Declaration shall have been recorded in said records shall be deemed to consent that such liens shall be inferior to future liens for assessments, as provided herein, whether or not such consent be specifically set forth in the instruments creating such liens.

(2) **Notice of Lien.** To evidence a lien for sums assessed pursuant to this section, the Board of Trustees or its designee may prepare a written notice of lien setting forth the amount of the debt and Additional Charges due, the name and address of the Owner and a description of the Unit. Such a notice shall be signed by a representative or agent of the Board of Trustees and shall be recorded in the Office of the County Recorder of Salt Lake County, Utah. No notice of lien shall be recorded until there is an unpaid debt.

(3) **Foreclosure.** Such lien may be enforced by judicial or non-judicial foreclosure by the Board of Trustees in the same manner in which mortgages and trust deeds on real property may be foreclosed in Utah. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, the costs and expenses of filing the notice of lien and all reasonable attorneys' fees. All such costs, expenses and fees shall be secured by the lien being foreclosed. The lien shall also secure, and the Owner shall also be required to pay to the Board of Trustees any assessments against the Unit which shall become due during the period of foreclosure.

The Board of Trustees shall have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorneys' fees, and a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Board may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the same. If the Board elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

(4) Release of Lien. A release of notice of lien shall be executed by the Board of Trustees and recorded in the office of the County Recorder of Salt Lake County, Utah, upon payment of all sums secured by a lien which has been made the subject of a recorded notice of lien.

(5) Mortgagee or Lienholder Rights. Any encumbrancer holding a lien on a Unit may, but shall not be required to, pay any amounts secured by the lien created by this Section, and upon such payment such encumbrancer shall be subrogated to all rights of the Association with respect to such lien, including priority.

k. Assignment of Rents. Each Owner by accepting a deed or other document of conveyance to a Unit hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Unit, if the Unit is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

l. Personal Obligation. The amount of any assessment against any Unit shall be the personal obligation of the Owner thereof to the Association. A purchaser of a Unit shall be jointly and severally liable with the seller for all unpaid assessments against the Unit up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such assessments.

m. Duty to Pay Independent. No reduction or abatement of an Owner's share of the Common Expenses or any Assessment shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

n. Remedies. Suit to recover a money judgment for such personal obligation shall be maintainable by the Board of Trustees without foreclosing or waiving the lien securing the same.

o. No Waiver. No Owner may waive or otherwise exempt himself from

liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas and Facilities or the abandonment of his Unit.

p. Statement of Account. Upon Payment of a reasonable fee not to exceed twenty five dollars (\$25.00) and upon written request of any Owner or any Mortgagee, prospective Mortgagee or prospective purchaser of a Unit, the Board of Trustees shall issue a written statement setting forth the amount of the unpaid Assessments, if any, with respect to such Unit, the amount of the current yearly assessment and the portion thereof which has theretofore been paid; credit for advanced payments or prepaid items, including, but not limited to an Owner's share of prepaid Insurance premiums and such statement shall be conclusive upon the Board of Trustees in favor of persons who rely thereon in good faith. Unless such request for a statement of account shall be complied with within ten (10) days, all unpaid Assessments which became due prior to the date of making such request shall be subordinate to the lien of a Mortgagee which acquired its interest subsequent to requesting such statement. Where a prospective purchaser makes such request, both the lien for such unpaid assessments and the personal obligations of the purchaser shall be released automatically, if the statement is not furnished within the ten (10) day period provided herein and thereafter an additional written request is made by such purchaser and is not complied with within ten (10) days thereafter, and the purchaser subsequently acquires the Unit.

q. Superiority of Assessments. All Assessments against a Unit and Owner, and all liens created to secure the debt, are superior to any homestead exemptions to which an Owner may be entitled. By accepting a deed or other document of conveyance to a Unit, each Owner expressly agrees to waive or subordinate said exemptions.

r. Termination of Right to Use Amenities for Non-Payment. At the discretion of the Board, the right to use any amenities in the Project, including but not limited to all common recreational facilities may be terminated if the Owner is in arrears on his obligation to pay his share of the Common Expenses or any other Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable written notice of at least ten (10) days.

s. Suspension of Right to Vote for Non-Payment. At the discretion of the Board, the right of an Owner to vote on issues concerning the Association may be suspended if the Owner is not in good standing (i.e., delinquent in the payment of his portion of the Common Expenses, any Assessments, etc.), and has failed to cure or make satisfactory arrangements to cure the default after reasonable written notice of at least ten (10) days.

19. Liability of Board of Trustees. The Association shall indemnify each and every officer and Member of the Board of Trustees against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or Member of the Board in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he may be a party by reason of being or having been an officer or Member of the Board. The officers and Members of the Board shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and Members of the Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or Members of the Board may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Board free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or Member of the Board, or former officer or Member of the

Board, may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers and directors insurance coverage to fund this obligation, if such insurance is reasonably available.

20. Nature and Restrictions on Ownership and Use in General. Each Owner shall have and enjoy the privileges of fee simple ownership of his Unit. There shall be no requirements concerning who may own a Unit, it being intended that they may and shall be owned by Persons as any other property right or interest. The Common Areas and Facilities shall only be used in a manner consistent with the residential nature of the Project.

a. Title to the Common Area. Each Owner shall be entitled to a percentage of undivided ownership interest in and to the Common Areas and Facilities, free and clear of all liens (other than current years taxes, if any).

b. Mandatory Association. Each Owner by receiving a deed or other document of conveyance to a Unit shall automatically become a Member of the Association and such membership may not under any circumstances be partitioned from the Unit and any attempt to do so shall be void.

c. Member's Easements and Rights of Way. Every Member of the Association shall as an Owner have the right and non-exclusive easement to use and enjoy the Common Area and Facilities, which right and easement shall be appurtenant to and shall pass with the title to every Unit, subject to the following restrictions:

- (1) The right of the Association to limit the number of guests and invitees;
- (2) The right of the Association to adopt administrative rules and regulations from time to time governing the Project;
- (3) The right of the Association to suspend the voting privileges;
- (4) After notice and hearing, the right of the Association to suspend the privilege to use the common facilities and recreational amenities by an Owner or Resident for: (a) any period during which his portion of the Common Expenses or the payment of any fine or other Assessment remains delinquent, and (b) a reasonable period, not to exceed thirty (30) days for any infraction of the Project Documents;
- (5) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for the purpose of providing utilities and similar or related purposes. During the Developer's period of development of the Project, any such dedication or transfer shall be effective only if approved in writing by the Declarant; and
- (6) The right of the Association to assign or lease overflow or excess parking spaces to Residents, to charge a reasonable admission or other fee for the use of any recreational facility situated upon the Common Area, or to charge a move-in/move-out fee.

21. Restrictions and Limitations of Use. The use of the Units, of whatever kind, is subject to the following guidelines, limitations and restrictions:

(a) Parties Bound. All provisions of the Declaration, By-Laws, Rules and Regulations shall be binding upon all Owners and Residents, their families, guests and invitees.

(b) Obstructions Prohibited. There shall be no obstruction of the Common Areas or Facilities by the Owners or Residents, or their guests and invitees, without the prior written consent of the Board of Trustees.

(c) Nuisance. It shall be the responsibility of each Owner and Resident to prevent the creation or maintenance of a nuisance in, on or about the Project. It shall also be the responsibility of each Owner and Resident to abate promptly any nuisance which may have been created. For purposes of this subsection, the term "nuisance" means at least:

a) The development of any unclean, unhealthy, unsightly, or unkempt condition on, in or about his Unit or the Common Areas and Facilities;

b) The storage of any item, property or thing that causes any Unit or the Common Area or Facilities to appear to be in an unclean or untidy condition or that will be noxious to the senses;

c) The storage of any substance, thing or material upon any Unit or in the Common Areas and Facilities that emits any foul, unpleasant or noxious odors, or that causes any noise or other condition that disturbs or might disturb the peace, quiet, safety, comfort, or serenity of the other residents at the Project;

Neither the Association nor any agent retained by the Association to manage the Project shall be liable to the Owner or Resident for any eviction instituted pursuant hereto and in good faith. Any costs and expenses incurred by the Association, including attorneys' fees, shall be deemed to be an Individual Assessment. The amount of said Individual Assessment is the debt of the Owner at the time the assessment is made and is collectible as such. If any Owner fails or refuses to pay said expenses when due, that amount constitutes a lien on the interest of the Owner in the Property.

23. Insurance. The Board of Trustees shall, if reasonably available, at all times purchase, maintain in force, and pay the premiums for insurance on the Common Areas and Facilities satisfying at least the following requirements:

a. Property Insurance. Blanket property insurance using the standard "Special" or "All-Risk" building form¹. Loss adjustment shall be based upon replacement cost. For purposes of

If the property is or comes to be situated in an area having special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program ("NFIP"), or any successor program, a policy of flood insurance shall be maintained covering the property in an amount deemed appropriate, but not less than the lesser of: (1) the maximum limit of coverage available under NFIP for Insurable Property within a designated flood hazard area.; or (2) one hundred percent (100%) of current replacement cost of the Insurable Property. Such policy shall be in a form which meets the criteria set forth in the most current Guidelines on the subject issued by the Federal Insurance Administrator.

(2) Amount of Coverage. The total amount of fidelity bond coverage shall be based upon the Board's best business judgment, but shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Board, the Association, or the management agent, as the case may be, at any given time during the term of each bond. Nevertheless, in no event may the amount of such bonds be less than a sum equal to three (3) months' aggregate assessments on all Units, plus reserve funds.

(3) Quality of Coverage. Any bonds purchased shall meet the following additional requirements: (a) they shall name the Board, the Owners Association, and the Property Manager as obligee; (b) if the insurance contract or bond excludes coverage for damages caused by persons serving without compensation, and may use that exclusion as a defense or reason not to pay a claim, the insurance company shall, if possible, be required to waive that exclusion or defense; (c) the premiums on all bonds required herein for the Board and the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Board or the Association as part of the Common Expenses; and (d) the bonds shall provide that they may not be canceled or substantially modified, including cancellation for nonpayment of premium, without at least ten (10) days' prior written notice to the Board and the Association, to any Insurance Trustee, and to each service of loans on behalf of any Mortgagee, the VA, FHA and FNMA.

f. Earthquake Insurance shall not be required unless requested by a least

seventy five percent (75%) of the Members of the Association.

g. The Insured. The name of the insured under each policy required to be maintained hereby shall be set forth therein substantially as follows: "The Donner Place Owners Association, for the use and benefit of the individual Owners."

h. Designated Representative. The Association may designate an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners.

i. Beneficiary. In any policy covering the entire Project, each Owner and his Mortgagee, if any, shall be beneficiaries of the policy in an amount equal to the Owner's percentage of undivided ownership interest in the Common Areas and Facilities.

J. Certificate of Insurance. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

k. Mortgage Provisions. Each policy shall contain a standard mortgage clause or its equivalent and shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each Mortgagee.

L. Waiver of Subrogation. Each policy shall contain a waiver of the right of a subrogation against Owners individually;

111. Individual Neglect. Each policy shall contain a provision that the insurance is not prejudiced by any act or neglect of any individual Owner; and

n. Deductible. The deductible on a claim made against the Association's liability insurance policy shall be paid by the party who would be liable for the loss, damage, claim or repair in the absence of insurance, and in the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. Provided, however, if the loss is caused by an act of god or nature, or by an element beyond the control of the Association, then the Association shall be responsible for and shall pay the deductible.

o. Individual Insurance. Each Owner shall obtain insurance coverage in addition to the insurance maintained by the Association. All Unit owners shall have an individual unit owner's policy to cover its personal property. In addition, all Unit Owners shall add to their individual Unit Owner's policy, "Coverage of a Building" in an amount at least equal to the Association's master policy deductible, as established by the Board of Trustees. Anything to the contrary notwithstanding, the insurance coverage of a Unit Owner or resident shall be primary and the insurance of the Association shall be secondary for losses that emanate from within their Unit, or from items that are their responsibility to maintain and replace. If any Unit Owner fails to maintain insurance, unit owners will still be responsible for an amount equal to the Association's insurance deductible on any claim arising from the losses that emanate from within their unit or from items that are their responsibility to repair or replace, including improvements, betterments, and special fixtures. In the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. Renters shall procure a renter's insurance policy. Each Owner shall provide a copy of his insurance policy to the Association on an annual

basis. The Association shall have the ability to pass reasonable rules and regulations to enforce compliance with this provision.

p. Primary Coverage. Anything to the contrary notwithstanding, the insurance coverage of an Owner shall, in the event the Association also has insurance covering the loss, be primary and the insurance of the Association shall be secondary.

q. Prompt Repair. Each Owner further covenants and agrees that in the event of any partial loss, damage or destruction of his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction.

r. Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed to repair promptly and reasonably the damages. Any excess proceeds shall be paid and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

s. Special Endorsements. Each policy shall also contain or provide those endorsements commonly purchased by other Condominium Homeowners Associations in Salt Lake County, Utah.

t. Quality of Insurance Carrier. Each insurance policy required hereby shall be written by an insurance carrier licensed to transact business in the State of Utah and who has the highest rating by Best's Key Rating Guide.

u. Restrictions on Policies. No such insurance policy shall be maintained where:

1) Individual Assessments Prohibited. Under the terms of the carrier's charter, By-Laws, or policy, contributions may be required from, or assessments may be made against, an Owner, a borrower, a Mortgagee, the Board of Trustees, the Association, FNMA, or the designee of FNMA.

2) Payments Contingent. By the terms of the Declaration, By-Laws, or policy, payments are contingent upon action by the carrier's board of directors, policyholder, or member; or

3) Mortgagee Limitation Provisions. The policy includes any limited clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Board, the Association, an Owner, FNMA, or the borrowers) from collecting insurance proceeds.

v. Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association, Board of Trustees or Owners to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder on behalf of, the Board or the Association.

24. Casualty Damage or Destruction. The following provisions apply in the event of the partial or total destruction of the Project:

a. Attorney in Fact. All of the Owners irrevocably constitute and appoint the Board of Trustees their true and lawful agent in their name, place and stead for the purpose of dealing with the Project upon its damage or destruction as hereinafter provided. Acceptance by any grantee of a deed or any other document of conveyance to a Unit shall constitute appointment of the attorney in fact herein provided.

b. Authority. As attorney in fact, the Board of Trustees shall have full and complete authorization, right and power to make, execute and deliver any contract, deed, or other instrument with respect to the interest of a Unit Owner which may be necessary or appropriate to exercise the powers herein granted. Repair and reconstruction of the improvements, as used in the succeeding subparagraphs mean restoring the Project to substantially the same, condition in which it existed prior to damage, with each Unit and the Common Areas having substantially the same vertical and horizontal boundaries as before.

c. Election of Mortgagees. In the event any Mortgagees should not agree not to rebuild the Project, then the Board of Trustees shall have the option to purchase such mortgage by payment in full of the amount secured thereby if Owners representing at least eighty percent (80%) of the undivided interest in the Common Areas of the Project are in agreement to rebuild. The Board of Trustees shall obtain the fmlds for such purpose by Special Assessment, in the manner set forth above.

d. Estimates and Bids. As soon as practicable after an event causing damage to, or destruction of, any part of the Project, the Board of Trustees shall obtain two estimates that it deems reliable and complete of the costs of repair or reconstruction of that part of the Project damaged or destroyed.

e. Prompt Repair. As soon as practicable after receiving these estimates, the Board of Trustees shall diligently pursue to completion the repair or reconstruction of the part of the Project damaged or destroyed if the Project is damaged or destroyed to the extent of seventy-five percent (75%) or less then the value thereof. The Board of Trustees may take all necessary or appropriate action to effect repair or reconstruction as attorney in fact for the Owners, mld no consent or other action by any Owner shall be necessary in connection therewith. Such repair or reconstruction shall be substantially in accordance with the original plans and specifications with any other plan and specifications of the Project or may be in accords and specifications the Owners may approve, provided that in such latter event the number of cubic feet and the number of square feet of any Unit may not vary by more than five percent (5%) from the number of cubic feet and the number of square feet for such Unit as originally constructed pursuant to such original plans and specifications, and the location of the building shall be substantially the smlle as prior to damage or destruction. The same easements for encroachments as declared above shall and do hereby apply under the provisions of this Section. In the event the Project is destroyed or damaged to the extent of more than seventy-five percent (75%) of the value thereof, the Unit Owners shall, at a meeting within one hundred (100) days after such damage or destruction duly called by the Board of Trustees for the purpose, determine whether or not said promises should be rebuilt, repaired or disposed of. Unless Owners representing not less than eighty percent (80%) of the undivided interests in the Common Areas agree to the withdrawal of the Project from the provisions of the Act and to its subsequent disposal, the premises shall be repaired, rebuilt or restored to substantially the same condition they were in immediately prior to such destruction or damage.

f. Insurance Proceeds. The proceeds of any insurance collected shall be available to the Board of Trustees for the purpose of repair or reconstruction. If the proceeds of the insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, the

Board of Trustees may levy in advance a special assessment sufficient to provide funds to pay such estimated or actual costs of repair or reconstruction. Such assessment shall be allocated and collected as provided in that paragraph. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction.

g. Disbursements of Insurance Funds. The insurance proceeds held by the Board of Trustees and the amounts received from the assessments provided above constitute a fund for the payment of cost of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for cost of repair or reconstruction shall be made from insurance proceeds if there is a balance after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Unit owners in proportion to the contributions each Owner made pursuant to the assessments the Board of Trustees made under subparagraph (f) above.

h. Removal from Act. If eighty percent (80%) or more of the Owners of the undivided ownership interest in the Project and all holders of first Mortgages on Units agree not to rebuild, as provided herein, the Project may be removed from the provisions of the Act as prescribed therein.

25. Termination of Legal Status of Project. The termination of the legal status of the Project for reasons other than substantial destruction or condemnation of the Property must be agreed to by all of the Unit Owners and by Eligible Mortgagees holding at least sixty-seven (67%) percent of the votes of the mortgaged Units. Approval shall be implied, however, when an Eligible Mortgagee fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

26. Duty of Owner to Pay Taxes on Unit Owned. It is understood that under the Act each Unit (and its percentage of undivided ownership interest in the Common Areas) in the Project is subject to separate assessment and taxation of each taxing authority and the special district(s) for all types of taxes and assessment authorized by law, and that as a result thereof no taxes will be assessed or levied against the Project as such. Accordingly, each Unit Owner will pay and discharge any and all taxes and assessments which may be assessed against him on his Unit.

27. Amendment of this Declaration Must Be in Writing and Recorded. All amendments to the Declaration approved by the Unit Owners must be in writing and shall be effective upon recordation in the Office of the County Recorder of Salt Lake County, Utah.

28. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such act or transaction from Owners who collectively hold the required percentages, subject to the following conditions:

a. Ninety-Day Limit. All necessary written consents must be obtained prior to the expiration of ninety (90) days from the date the first written consent is obtained; and

b. Change In Ownership. Any change in ownership of a Unit which occurs after a written consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose and the written consent of the new Owner must be obtained.

29, **Mortgagee Protection.** The lien or claim against a Unit for unpaid Common Expenses or any Assessment shall be subordinate to any Mortgage recorded on or before the date such payment or Assessment becomes due, subject to the following:

a. **Effects of Voluntary and Involuntary Sale.** The lien or claim against a Unit for such unpaid Common Expenses or Assessments shall not be affected by any sale or transfer of such Unit, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Unit or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, a lien securing any such unpaid Common Expenses or Assessments which is extinguished in accordance with the foreclosure or power of sale laws in Utah shall not relieve the purchaser or transferee of such Unit from personal liability for, nor shall it relieve such Unit from a lien securing payment of any Common Expenses or Assessments which become due thereafter.

b. **Books and Records Available for Inspection.** The Board or the Association shall make available to the Owners, Mortgagees, lenders, holders, insurers, or guarantors of any Mortgage current copies of the Project Documents as well as the books, records, and financial statements of the Board and the Association, at cost. The Association shall have the right to recover its out of pocket costs, photocopying and service charges incurred in making the inspection and photocopying available.

c. **Right to Financial Statement.** The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a copy of the financial statement for the Association and/or Board of Trustees for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

d. **Management Contracts.** Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Board of Trustees or the Association shall provide or be deemed to provide hereby that either party may terminate the contract with or without cause upon at least thirty (30) days prior written notice to the other party thereto. No contract shall have an initial term greater than one (1) year.

e. **Eligible Mortgagee Designation.** Upon written request to the Board or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Unit Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder, insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) **Condemnation Loss or Award.** Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) **Delinquency.** Any delinquency in the payment of Common Area Assessments owed by an Owner of a Unit subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty (60) days.

of any insurance policy or fidelity bond maintained by the Board or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

f. No Right of First Refusal. The rights of an Owner to sell, transfer, or otherwise convey his Unit shall not be subject to any right of first refusal or similar restriction.

30. Security. The Association is not the guarantor or insurer of the safety of Residents of the Project. The Board of Trustees may, but shall not be obligated to, maintain or support certain activities within the Project designed to make the Project safer than it otherwise might be. Neither the Association nor the Board of Trustees shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness or security measures undertaken. All Owners and Residents as well as their guests and invitees acknowledge that neither the Association nor the Board represent or warrant that any security measures undertaken will insure their safety. All Owners and residents as well as their guests and invitees, acknowledge and understand that the Association and Board are not insurers of their safety and they hereby expressly assume all risks for loss or damage to their person or property and further acknowledge that the Association and Board have made no representations or warranties, nor have they relied upon any representations or warranties, expressed or implied, including any warranty or merchantability or fitness for any particular purpose, relative to any security measures undertaken or to be undertaken within the Project.

31. Amendment. The affirmative vote of at least sixty seven percent (67%) of the undivided ownership interest in the Common Areas and Facilities shall be required and shall be sufficient to change the legal status of the Project or to amend the Declaration or the Record of Survey Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Board of Trustees. In such instrument the Board shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained. The foregoing right of amendment shall, however, be subject to the following:

a. Consent of Eligible Mortgagee. Any amendments of a material nature must be agreed to by Eligible Mortgagees holding at least fifty one (51%) percent of the undivided ownership interest in the Common Areas and Facilities. - (12) restoration or repair of the project (after damage or partial condemnation) in a manner other than that specified herein; or
- (13) any provisions which expressly benefit mortgage holders, insurers, or guarantors.

b. Clerical Errors. Any addition or amendment shall not be considered material for purposes of this section if it is for the clarification only or to correct a clerical error.

c. Notice. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Survey Map is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. The address of an Owner or Resident for purposes of notice may be changed from time to time by delivery of written notice to the Board.

b. Costs & Assessments. If the violation, or the failure to correct or remedy a

violation, results or may result in the expenditure of funds, the notice shall also state that the Board of Trustees may vote to assess the adverse party, levy a fine, or impose other sanctions if the Board finds that a violation has occurred.

c. Final Determination. After the hearing has taken place, the Board shall determine whether a violation has occurred and, if so, the Board may: (1) levy an Assessment or impose conditions which shall become effective not less than five (5) days after the date of the hearing; or (2) take such other action as it may deem appropriate.

The determination of the Board shall be final. Nothing herein shall be construed to prevent the Board from making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing notice to an Owner or Resident and the opportunity to be heard.

33. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. By acquiring any interest in a Unit in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

34. Enforcement and Right to Recover Attorney's Assessments. Should the Association or Board be required to take action to enforce or construe the Project Documents, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all of their Additional Charges, including a reasonable attorney's fee, which may arise or accrue.

a. Goods or Services Provided to the Association. Mechanics liens for labor, materials or supplies purchased by the Association shall be filed against ALL UNITS in the Project and their appurtenant interest in the Common Area, and shall be indexed in the public records under the name of the Association and Community. If the Association has encumbered the Common Areas and thereafter defaults on its obligations, the lienholder must exercise its rights against the Common Areas before it may proceed against any particular Unit. Any Owner wishing to release that lien as to his Unit: may pay the pro rata share of the total amount of the lien and that shall be sufficient to release the lien against his Unit.

b. Goods or Services Provided to a Unit. Mechanics liens filed for labor, materials or supplies benefitting a particular Unit shall be filed against that Unit and its appurtenant interest in the Common Area.

c. Constructive Consent. Any person or entity who elects to perform labor or provide materials at this Project agrees to be bound by and subject to the terms of this Section.

36. Number and Gender. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural the singular, and the use of any gender

shall include all genders.

37. Severability. If any of the provisions of this Declaration or any paragraph, sentence, clause, phrase or word or the application thereof in any circumstance be invalidated, such invalidity shall not affect the validity of the remainder of the Declaration, and the application of any such provision, paragraph, sentence, clause, phrase or word in any other circumstances shall not be affected thereby.

38. Topical Headings. The headings appearing at the beginning of the paragraphs of this Declaration are only for convenience of reference and are not intended to describe, interpret, define or otherwise affect the content, meaning or intent of this Declaration or any paragraph or provision hereof.

39. Second Hand Smoke. Smoking or the use of tobacco products is not prohibited in the Building or the Units; provided, however, the Association expressly reserves the right to prohibit smoking or the use of tobacco products in the Project or any part thereof, although the Unit Owners and Residents shall be given at least thirty (30) days prior written notice of any change in policy. In addition:

a. Nuisance Defined. Utah Code Annotated, Section 76-3-203.1 (1997) defines a "nuisance" so as to include tobacco smoke that drifts into any Unit a person rents, leases or owns from another Unit more than once in each of two (2) or more consecutive seven (7) day periods which is injurious to health, indecent, offensive to the senses, or an obstruction to the free use of property, so as to interfere with the comfortable enjoyment of life or property. The Association adopts this definition until such time as it is amended or repealed by the Utah legislature at which time this definition shall be similarly and automatically amended or repealed.

b. Release and Waiver & Indemnity. By accepting a deed or other document of conveyance to a Unit, each Owner hereby expressly waives, releases and forever discharges the Association, Board of Trustees and Members of the Board of Trustees from any and all claims, suits, actions, debts, damages, costs, charges and expenses, including court costs and attorney's fees, arising out of or related to any claim or demand that the Association or Board of Trustees abate or attempt to abate any alleged nuisance caused by smoking tobacco products.

c. Indemnity. By accepting a deed or other document of conveyance to a Unit, each Owner hereby expressly agrees to and shall indemnify, save and hold the Association harmless from any and all liability, loss or damage arising out of or caused by any claims, suits, actions, debts, damages, costs, charges and expenses, including court costs and attorney's fees, arising out of or related to any claim or demand that the Association or Board of Trustees abate or attempt to abate any alleged nuisance caused by smoking tobacco products.

d. Reservation of Right of Action. Anything to the contrary notwithstanding, the right of action of a Unit Owner or resident created by Utah Code Annotated, Section 78-38-1 (1997) against another Unit Owner or Resident who creates a nuisance by generating tobacco smoke is expressly recognized and reserved, conditioned upon the existence of the statutory remedy or its equivalent.

e. Structural Alterations. Upon receipt of a written application in satisfactory form, the Association shall approve any reasonable structural alterations to the Common Areas and Facilities necessary to abate such a nuisance provided the structural alterations: (a) do not impair or

threaten to impair the structural integrity of the Building, any Unit or any physical improvements to the Property, (b) do not materially alter the nature of the Project, (c) do not damage or threaten to damage the Building, another Unit or any physical improvements to the Property, (d) are paid for by the Unit Owner or Resident, and (e) the Owner signs a written perpetual maintenance agreement in a form satisfactory to the Board of Trustees.

III
ADMINISTRATION

1. Place of Meetings. Meetings of the Unit Owners shall be held in such place within the State of Utah as the Board of Trustees may specify in the notice, except as herein otherwise specified.
2. Annual Meetings. The annual meeting shall be held at such time and place as the Board of Trustees shall designate in writing. The notice shall state the day, date, time and place of the meeting. If the Board of Trustees defaults, then the annual meeting shall be held on the first day of February of each year; provided, however, that whenever such date falls on a legal holiday, the meeting shall be held on the next succeeding business day, and provided further, that the Board of Trustees may by resolution fix the date of the annual meeting on such date and at such place as the Board of Trustees may deem appropriate.

When a quorum, as provided in the Act, is present at any meeting, the vote of Unit Owners representing a Majority of the total vote, present in person or represented by proxy, shall decide any question of business brought before such meeting, including the election of the Board of Trustees, unless the question is one upon which, by express provision of the statutes, or of these By-Laws, a different vote is required, in which case such express provision shall govern and control the decision of such question. Only Owners or legal representatives of institutional Owners may be proxies. All proxies shall be in writing and in the case of proxies for the annual meeting, they shall be delivered to the Secretary prior to any meeting.
