In Ogden, Utah

THIS AMENDED & RESTATED DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR GRANDVIEW ACRES CONDOMINIUMS (this "Declaration") is hereby adopted by Grand View Acres Condominium Association ("Association"), for and on behalf of its Members, and made effective as of the date recorded in the Weber County Recorder's Office.

RECITALS:

(A) This Declaration affects and concerns the real property located in Weber County, Utah and more particularly described in **Exhibit "A"** attached hereto and incorporated herein by this reference ("Property").

(B) On or about October 9, 2001, a Declaration for "Grandview Acres" ("Enabling Declaration") was recorded in the Weber County Recorder's Office as Entry No. 1799936.

(C) On or about October 5, 2001, a Plat for "Grand View Acres" Condominiums ("Plat") was recorded in the Weber County Recorder's Office as Entry No. 1799923.

(D) On or about May 21, 2007, an Amendment to the Declaration of "Grandview Acres" Condominiums ("First Amendment") was recorded in the Weber County Recorder's Office as Entry No. 2265285. On or about April 18, 2013, an Amendment to the Declaration of "Grandview Acres" Condominiums ("Second Amendment") was recorded in the Weber County Recorder's Office as Entry No. 2630637.

(E) The Association and its Members, consistent with the Enabling Declaration and any subsequent amendments (including any not referenced herein), hereby adopt this Declaration. This Declaration hereby amends, replaces, and supersedes all prior declarations and amendments, rendering the prior declarations and amendments of no further force and effect. This Declaration, along with any future amendment(s), shall be the sole Declaration for the Property.

(F) The Property is subject to certain protective covenants, conditions, restrictions, and easements, as set forth in this Declaration, as amended from time to time, which are deemed to be covenants running with the land mutually burdening and benefitting each of the Units within the Property. Common Areas and Limited Common Areas are those areas that are depicted as Common Areas and Limited Common Areas in the recorded Plat(s) or as described in this Declaration.

(G) The Association and its Members desire that the Board amend the existing Articles of Incorporation with the Utah Department of Commerce contemporaneously with the recording of this Declaration. The Association and its Members hereby authorize and approve filing the Amended & Restated Articles of Incorporation for Grand View Acres Condominium Association ("Articles") with the State of Utah, a copy of which has been previously provided to the Owners. In the original Articles the term "Grand View Acres" was used. However, confusion over the proper name for the community exists because the plat refers to "Grand View Acres" as well as the articles of incorporation filed with the state of Utah, but the Declaration uses the term "Grandview Acres" which has been the spelling commonly used in the community. Pursuant to this Agreement, all references to the community shall be "Grandview Acres". The Association shall file amended Articles to reflect the name change, and although the Plat uses "Grand View Acres", the term "Grandview Acres" shall be used herein and for all other uses.

(H) The Association and its Members desire that the Board amend the bylaws for the Association, which were included as an appendix to the Enabling Declaration, and hereby authorize and approve the recording of the Amended & Restated Bylaws of the Grandview Acres Condominium Association, a copy of which is attached hereto as **Exhibit "B"** ("Bylaws"), which shall be recorded in the Weber County Recorder's Office contemporaneously with the recording of this Declaration. The Association and its Members, consistent with any the Enabling Declaration and any subsequent amendments thereto (including any not referenced herein), hereby adopt the Bylaws attached hereto as **Exhibit "B."** These Bylaws hereby amend, replace, and supersedes all prior bylaws and amendments, rendering the prior bylaws and amendments of no further force and effect. These Bylaws, along with any future amendment(s), shall be the sole Bylaws for the Property.

(I) Pursuant to Article III Section 26 and the Utah Condominium Ownership Act, Owners of record, holding not less than Sixty-Seven percent (67%) of the total voting interest of the Association, provided their written consent approving and consenting to the recording of this Declaration, the attached Bylaws, and filing of the Articles.

CERTIFICATION

By signing below, the Board hereby certifies that the above described approval was obtained, approving, and consenting to the recording of this Declaration, Bylaws and filing of the Articles.

(K) The Property shall be held, sold, conveyed, encumbered, hypothecated, leased, used, occupied, and improved, subject to the following easements, restrictions, covenants, conditions, and equitable servitudes, all of which are for the purpose of uniformly enhancing and protecting the value, attractiveness and desirability of the Property, in furtherance of a general plan for the protection, maintenance, improvement and sale of the Property or any portion thereof. The

covenants, conditions, restrictions, reservations, easements and equitable servitudes set forth herein shall run with each Unit located on the Property, including any additions thereto, and shall be binding upon all persons having any right, title or interest in the Property or any part thereof, their heirs, successors and assigns and shall inure to the benefit of every portion of the Property and any interest therein; and shall inure to the benefit of and be binding upon the Association and its members, and their successors in interest.

12.1 Repairs by Association. In the event that an Owner permits his Unit or Improvements to fall into a state of disrepair that is dangerous, unsafe, unsanitary, or unsightly condition or fails to comply with any other covenant or restriction in violation of this Declaration, the Association may give written notice to the Owner describing the condition complained of and demand that the Owner correct the condition within 15 days. If the Owner fails to take corrective action, the Association shall have the right, but not the obligation, to enter upon the offending Owner's Unit and take corrective action to abate the condition. All costs of abatement shall be charged to the Owner, who agrees to promptly pay the reasonable costs of any work performed under this provision, plus 15%. In addition, each Owner hereby grants to the Association a lien

on the Unit and any Improvements to secure repayment of any sums advanced pursuant to this section, which lien may be foreclosed at any time by the Association in the manner prescribed in Utah for the foreclosure of mortgages. Alternatively, without requiring foreclosure, the Association may seek collection of sums advanced directly from the Owner of the Unit in question. Unpaid amounts will bear interest from the date advanced at the lawful judgment rate under applicable state law.

12.2 Alterations of Exterior Appearance. The Owners will maintain their Units and Improvements in substantially the same condition and appearance as that approved by the Board. No subsequent exterior alterations, improvements, or remodeling, whether structural or changes in landscaping, paint color or materials will be made without the advance consent of the Board.

12.3 Repair Following Damage. In the event of casualty loss or damage to the improvements, the Owner will be entitled to reconstruct the Improvements as they existed prior to the damage or loss without review by the Board, provided however that alterations or deviations from the original approved plans will require review. Nothing in this Declaration is intended to prevent an Owner who has suffered property damage or loss from taking temporary measures to secure the property and prevent injury or dangerous conditions following loss or damage before re-construction begins. Such temporary measures may be taken without the consent or approval of the Board, provided that any such measure must be of a temporary nature, and repair or reconstruction must begin as soon as circumstances will permit. Unless delayed by City/County approval or insurance carrier approval, no damaged structure will be permitted to remain on any Unit for more than 90 days without repairs commencing and any damaged structure which does remain unrepaired after 90 days following the occurrence of damage is deemed a nuisance which may be abated by the Association.

ARTICLE XIII INSURANCE

13.1 Insurance Requirement. The Association shall obtain insurance as required in this Declaration and as required by the Act. The Association may obtain insurance that provides more or additional coverage than the insurance required in this Declaration. Different policies may be obtained from different insurance carriers and standalone policies may be purchased instead of or in addition to embedded, included coverage, or endorsements to other policies.

As used in this Article:

- (1) "Covered Loss" means a loss, resulting from a single event or occurrence that is covered by the Association's property insurance policy.
- (2) "Unit Damage" means damage to a Unit.
- (3) "Unit Damage Percentage" means the percentage of total damage resulting in covered loss that is attributable to Unit Damage.

In the event of a covered loss, Owner(s) shall pay their portion of any Association deductible in accordance with that Unit's Unit Damage Percentage.

13.2 Property Insurance.

(a) Hazard Insurance.

- (i) Blanket Policy of Property Insurance. The Association shall maintain a blanket policy of property insurance covering all Common Areas, Limited Common Areas Units, buildings, and other facilities.

(1) At a minimum, any required blanket policy shall afford protection against loss or damage by: (1) fire, windstorm, hail, riot, aircraft, vehicles, vandalism, smoke, theft, and storm water run-off, if reasonably available; and (2) all perils normally covered by "special form" property coverage.

(2) Any blanket policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all property covered by such policy at the time the insurance is purchased and at each renewal date. The actual replacement cost of the property shall be determined by using methods generally accepted in the insurance industry.

(b) Flood Insurance. If the property insured by the Association is not situated in a Special Flood Hazard Area, the Association may nonetheless, if approved by a majority of Owners, purchase flood insurance to cover water and flooding perils not otherwise covered by blanket property insurance.

(c) Earthquake Insurance. The Association may nonetheless, if approved by a majority of Owners, purchase earthquake insurance to cover earthquakes not otherwise covered by blanket property insurance.

(d) Associations Obligation to Segregate Property Insurance Deductible. The Association shall keep an amount equal to the Association's property insurance policy deductible or \$10,000, whichever is less. This requirement shall not apply to any earthquake or flood insurance deductible.

(e) Association's Right to Not Tender Claims that are Under the Deductible. If, in the exercise of its business judgment, the Board of Directors determines that a claim is likely not to exceed the Association's property insurance policy deductible the Association need not tender the claim to the Association's insurer.

13.3 Comprehensive General Liability (CGL) Insurance. The Association shall obtain CGL Insurance insuring the Association, the agents and employees of the Association, and the Owner, against liability incident to the use, ownership or maintenance of the Common Area or membership in the Association. The coverage limits under such policy shall not be less than One Million Dollars (\$1,000,000) covering all claims for death of or injury to any one person or

property damage in any single occurrence.

13.4 Director's and Officer's Insurance. The Association shall obtain Directors' and Officers' liability insurance protecting the Board of Directors, the officers, and the Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available). The policy shall:

- (a) Include coverage for volunteers and employees;
- (b) Include coverage for monetary and non-monetary claims;
- (c) Provide for the coverage of claims made under any fair housing act or similar statute or that are based on any form of discrimination or civil rights claims; and
- (d) Provide coverage for defamation. In the discretion of the Board of Directors, the policy may also include coverage for any manager and any employees of the manager and may provide that such coverage is secondary to any other policy that covers the manager or any employees of the manager.

13.5 Insurance Coverage for Theft and Embezzlement of Association Funds. The Association may obtain insurance covering the theft or embezzlement of funds that shall:

- (a) Provide coverage for an amount of not less than the sum of three months regular assessment in addition to the prior calendar year's highest monthly balance on all operating and reserve funds; and
- (b) Provide coverage for theft or embezzlement of funds by:
 - (i) Officers and Board of Directors member of the Association;
 - (ii) Employees and volunteers of the Association;
 - (iii) Any manager of the Association; and
 - (iv) Officers, directors, and employees of any manager of the Association.

13.6 Association's Right to Negotiate All Claims and Losses and Receive Proceeds. Insurance proceeds for a loss under the Association's property insurance policy shall be payable to the Association; and shall not be payable to a holder of a security interest. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then any proceeds remaining after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Units. Each Owner hereby appoints the Association, as attorney-in-fact for the purpose of negotiating all losses related thereto, including: the collection, receipt of, and the execution of releases of liability, and

the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representative, successors or assigns of an Owner.

13.7 Owner Act Cannot Void Coverage under Any Policy. An Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy or permit anything to be done or kept in or about the Unit that would result in an increase in the cost of insurance on the Property, or that would result in the cancellation of insurance on the Property, or that would result in the cancellation of insurance with respect to all or any part of the Property, or that would be in violation of any governmental law, ordinance, or regulation.

13.8 Waiver of Subrogation against Owners and Association. All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Association and the Owners and their respective agents and employees.

13.9 Owners' Individual Coverage. **EACH OWNER SHOULD PURCHASE INDIVIDUAL INSURANCE COVERAGE IN THE AMOUNT RECOMMENDED BY THE OWNER'S INSURANCE AGENT.**

ARTICLE XIV **DAMAGE & DESTRUCTION**

14.1 Immediately after damage or destruction by fire or other casualty to all or any part of the Common Areas and/or Limited Common Areas covered by insurance written in the name of the Association, the Board, or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas and/or Limited Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas and/or Limited Common Areas to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

14.2 Any damage or destruction to the Common Areas and/or Limited Common Areas shall be repaired or reconstructed unless Owners representing at least seventy-five (75%) percent of the total vote of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the costs of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Areas and/or Limited Common Areas shall be repaired or reconstructed; provided, however, this provision shall not apply to construction mortgagees providing construction financing for such damaged property.

14.3 In the event, that it should be determined in the manner described above that the damage or destruction to the Common Areas and/or Limited Common Areas shall not be repaired or reconstructed, and no alternative improvements are authorized, then and in that event the affected portion of the Common Areas and/or Limited Common Areas shall be restored to their natural state and maintained by the Association, in a neat and attractive condition.

ARTICLE XV **DISBURSEMENT OF PROCEEDS**

15.1 If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Areas and/or Limited Common Areas shall be retained by and for the benefit of the Association and placed in a capital improvements and/or reserve account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner(s) shall be retained by and for the benefit of the Association and placed in a capital improvements and/or reserve account.

ARTICLE XVI **REPAIR AND RECONSTRUCTION**

16.1 If the damage or destruction to the Common Areas and/or Limited Common Areas for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the members, levy a special assessment against all Owners as provided in the Governing Documents.

ARTICLE XVII **CONDEMNATION**

17.1 Whenever all of any part of the Common Areas and/or Limited Common Areas shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of members representing at least sixty-seven percent (67%) of the total Association vote by any authority having the power of condemnation or eminent domain), each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows: if the taking involves a portion of the Common Areas and/or Limited Common Areas on which improvements have been constructed, then, unless within sixty (60) days after such taking the Owners representing at least sixty-seven percent (67%) of the total vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Areas and/or Limited Common Areas to the extent lands are available therefor, in accordance with plans approved by the Board of Directors of the Association. If the taking does not involve any improvements of the Common Areas and/or Limited Common Areas, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such

restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

ARTICLE XVIII

MISCELLANEOUS PROVISIONS

18.1 Violation Deemed a Nuisance. Any violation of these covenants that is permitted to remain on the Property is deemed a nuisance and is subject to abatement by the Association or by any other Owner.

(a) Any single or continuing violation of the covenants contained in this Declaration may be enjoined in an action brought by an Owner or by the Association. In any action brought to enforce these covenants, the prevailing party shall be entitled to recover as part of its judgment the reasonable costs of enforcement, including reasonable attorney fees and court costs.

(b) Nothing in this Declaration shall be construed as limiting the rights and remedies that may exist at common law or under applicable federal, state, or local laws and ordinances for the abatement of nuisances, health and safety, or other matters. This Declaration is to be construed as being in addition to those remedies available at law.

(c) The remedies available under this Declaration and at law or equity generally are not to be considered as exclusive, but rather as cumulative.

(d) The failure to take enforcement action shall not be construed as a waiver of the contents contained in this Declaration in the future or against other similar violations.

18.2 Severability. Each of the covenants contained in this Declaration shall be independent of the others, and in the event that any one is found to be invalid, unenforceable, or illegal by a court of competent jurisdiction, the remaining covenants shall remain in full force and effect.

18.3 Consent, Power of Attorney, Waiver. By acceptance of a deed, lease, or other conveyance of an interest in Unit, each Owner or Occupant consents to the rights reserved to the Association in this Declaration, including but not limited to, the right to prepare, execute, file, process, and record necessary and appropriated documents and other items to establish and grant easements and to make necessary and appropriate amendments of this Declaration, the Plat and Bylaws. By such acceptance, each Owner or Occupant agrees to execute all documents and to do all other things as may be necessary or convenient to effect the same; and such acceptance shall be deemed an appointment of the Association, with full right of substitution, as the attorney-in-fact of such Owner or Occupant to execute such documents and to do such things on Owner's or Occupant's behalf; and such appointment, being coupled with an interest, shall be irrevocable for the specific period of the Association's reserved rights as set forth in this Declaration and shall not

be affected by the disability of any such Owner or Occupant.

18.4 No Representations and Warranties. Each Owner and occupant understand, agrees, and acknowledges through taking title or residing in the Project that the Declarant, Association, and the Board have not made any representations or warranties of any kind related to the Project and that each Owner or occupant has not relied upon any reorientations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose relative to the Project.

18.5 Conflicting Provisions. In the case of any conflict between the Governing Documents, the order of priority from the highest to the lowest shall be the Declaration, the Plat, the Articles, Bylaws, and then the Rules.

18.6 Amendment. At any time while this Declaration is in effect, the covenants herein contained can only be modified by the affirmative vote of the Owners representing not less than sixty-seven (67%) percent of the eligible Allocated Interest. No meeting or voting shall be required for an amendment, if the required, written consent is obtained from the requisite number of Owners.

18.7 Constructive Notice. Every person who owns, occupies, or acquires any right, title or interest in any Unit in the Project is conclusively deemed to have notice of this Declaration and its contents, and to have consented to the application and enforcement of each of the provision of this Declaration against his/her Unit, whether or not there is any reference to this Declaration in the instrument by which he/she acquires interest in any Unit.

18.8 Notices. All notices under this Declaration are provided as set forth in the Bylaws.

18.9 Liberal Interpretation. The provisions of this Declaration shall be interpreted liberally to further the goal of creating a uniform plan for the development of the Project. Headings are inserted for convenience only and shall not be considered in interpretation of the provisions. Singular will include plural, and gender is intended to include masculine, feminine and neuter as well.

ARTICLE II - MEETINGS OF OWNERS

Section 2.1 Annual Meetings. An annual meeting of the Owners shall be held no less than once each calendar year at a location and time designated by the Board of Directors ("Board")¹. The Board may set the date, time, and location of the annual meeting in accordance with Section 2.3 below.

¹ The term "Board of Directors" or "Board" shall be synonymous with the term Management Committee, as the same is utilized in the Utah Condominium Ownership Act.

Section 2.2 Special Meetings. Special meetings of the Owners may be called at the request of the Board, or upon written request of the Owners holding at least twenty-five percent (25%) of the total eligible Allocated Interest. A special meeting pursuant to this Section called at the request of Owners may be cancelled, even if a notice of meeting has been sent to the Owners, if (1) Owners requesting the meeting in writing have rescinded their individual request in writing to the Board, and (2) without the rescinded Owner requests the total number of remaining requests falls below the 25% threshold for the meeting. Notwithstanding, the Board remains the only authorized body to act for and on behalf of the Association.

Section 2.3 Notice of Meetings. Unless an Owner requests in writing that all notices be provided to said Owner by U.S. mail, all notices shall be given by, or at the direction of, the Board via email or other electronic communication. Notice shall be provided at least ten (10) days before a meeting, but no more than sixty (60) days, to each Owner at the email or electronic address provided by the Owner. Said notice is effective upon sending the email or electronic communication. Notices provided by U.S. mail shall be sent via U.S. First Class Mail and effective upon deposit in the mail. Such notice shall specify the location, day, and time of the meeting, and, in the case of a special meeting, the purpose of the meeting. The location of meetings can include meeting virtually, telephonically or through other available technology.

Upon becoming an Owner of the Association, or upon the written request by the Association, Owners shall provide a valid email address or other requested electronic information for purpose of notification related to the Association unless the Owner has opted out by providing a written request for notice by U.S. Mail.

Section 2.4 Quorum. Unless otherwise specifically set forth in the Declaration, at any meeting of Owners, a quorum shall be established by those Owners present, in person or by proxy, at a properly noticed meeting. Notwithstanding, the Board remains the only authorized body to act for and on behalf of the Association. Further, a majority of those Owners present in person or proxy at such meeting may vote to reschedule the meeting based upon low attendance. Otherwise, the meeting shall proceed as scheduled.

Section 2.5 Proxies. At all meetings of Owners, each Owner may vote in person or by proxy. All proxies shall be in writing, signed by the Owner, and filed with the Board at or before said meeting. Notwithstanding, any proxy delivered to the Board at the meeting must be provided no later than any point in the meeting announced as the final time to deliver proxies. The proxy form provided with any notice of meeting may also provide an additional requirement and a deadline to return proxies. Every proxy shall be revocable and shall automatically terminate upon conveyance by the Owner of his Unit. If conflicting proxy votes for an Owner or Unit exist, said proxy votes will not be counted.

Section 2.6 Conduct of Meetings. The Board, or its authorized representatives, shall preside over all meetings. The Secretary or other authorized person shall keep and maintain minutes of all meetings. The Board may adopt further policies and procedures with regard to conduct at an Association meeting. Only the Board or Board representative may make

an audio recording of any Association meeting for purposes of preparing minutes. No other recording, whether audio or video shall be allowed.

Section 2.7 Action Taken Without a Meeting. Any action that may be taken at any annual or special meeting of Owners may be taken without a meeting and without prior notice, if one or more consents in writing, setting forth the action taken, are signed by the Owners having not less than the minimum voting power that would be necessary to authorize or take the action at a meeting at which all Owners eligible to vote on the action were present and voted, unless a different approval percentage for the action is specifically set forth in the Declaration. The Board may obtain such approvals and conduct business through mail or email/electronic ballots.

Ballots shall set forth each proposed action and provide the option of voting for or against each proposed action. The ballot must specify the period of time, up to 90 days, during which the Association shall accept written ballots. Following this period, the Association shall provide notice if such action was approved.

Section 2.8 Voting Eligibility. Only an Owner that is current on all assessments and charges due and owing at least thirty (30) days in advance of the meeting, ballot or vote shall be deemed in good standing and eligible to vote. The number of votes for each Unit shall be in accordance with an Owner's Allocated Interest, as set forth in the Declaration.

ARTICLE III BOARD, SELECTION AND TERM OF OFFICE

Section 3.1 Number & Tenure. The affairs of the Association shall be managed by a Board of Directors composed of five (5) individuals ("Board"), which the Board shall decide based upon the number of candidates for Director positions. Members of the Board of Directors shall serve for a term of three years. Board terms are staggered such that two board positions become open for election each year, except every third year only one position is open for election. As of the time these Bylaws were adopted, two positions will be open at the next two annual meetings, and then one position in the year after that. The members of the Board of Directors shall serve until their respective successors are elected, or until their death, ineligibility, resignation, or removal. Any change in the number of Directors may be made only by amendment of these Bylaws.

Section 3.2 Eligibility. All members of the Board shall be Owners, an Owners' spouse, or legal partner of an Owner. At least one member of the Board must reside at the Property and maintain one of the Units as their primary residence. If only one Board member resides at the Property and that Board member resigns or is otherwise removed, the remaining Board members may appoint any eligible individual to fill the remainder of that Board term as long as the candidate resides at the Property. Notwithstanding, only one member of a single household can be a member of the Board at any one time.

Section 3.3 Resignation & Removal. A Director may resign at any time by delivering a written resignation to either the President or the Board. Unless otherwise specified therein,

such resignation shall take effect upon delivery. Any Director may be removed from the Board, with or without cause, by a vote of at least (51%) of the Owners of the Association. In the event of death, resignation, ineligibility, or removal of a Director, his successor shall be selected by the remaining Directors and shall serve for the unexpired term of his predecessor.

Section 3.4 Compensation. No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for actual and approved expenses incurred in the performance of his duties. Additionally, in order to encourage participation among Owners to serve as a Director, monthly regular assessments are waived for Directors that are on the Board at the time regular monthly assessments become due, but Directors are responsible for all other types of assessments, fines, and fees.

Section 3.5 Action Taken Without a Meeting. The Directors may take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of a majority of the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Board.

Section 3.6 No Estoppel or Reliance. No one may rely upon any authorization (from the Board or otherwise) contrary to the terms and conditions of the Governing Documents regardless of circumstances. No claim of estoppel, waiver or similar equitable claims or defense may be raised by anyone related to any alleged reliance.

Section 3.7 Records Retention. The Board shall take appropriate action to develop, implement and update procedures for record retention. The Board should maintain documents in a manner to be easily accessible and copied. The Board may budget specifically for this expense and may seek the advice of consultants in developing retention procedures.

ARTICLE IV NOMINATION AND ELECTION OF DIRECTORS

Section 4.1 Nomination. Nomination for election to the Board may be made by the Board or by Owners from the floor at the annual meeting.

Section 4.2 Election. The election of Directors may be by written ballot, which need not, but may be, secret, as determined at the discretion of the Board. The persons receiving the largest number of votes shall be elected. Cumulative voting is not authorized.

ARTICLE V MEETINGS OF THE BOARD

Section 5.1 Regular Meetings. Regular meetings of the Board shall be held at least annually, or more frequently as determined by the Board. All notices shall be provided by email or other electronic means. Directors are required to provide an email or electronic

address for purposes of notice of Board meetings. Notice shall be provided at least five (5) days before a meeting, but no more than thirty (30) days.

Owners, and Owner representatives (if designated in writing in advance) may attend Board meetings and may be present for all discussions, deliberations, and decisions except when the Board is in executive session. Owners shall comply with all reasonable rules established by the presiding officer for their attendance. The Board may limit Owners' comments and/or questions to a specific period of time within the meeting. The Board shall provide email notice in accordance with the Act to Owners that have requested, in writing, to be notified of Board Meetings and have provided a valid email address.

Section 5.2 Special Meetings. When, in the discretion of the President or two members of the Board, circumstances require that a meeting be held sooner than the required five (5) days' notice for a regular meeting, a special meeting may be called by the President or by any two (2) Directors, after not less than twenty-four (24) hours' notice to each Director.

Section 5.3 Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board.

Section 5.4 Conduct of Meetings. The Board, or its authorized representatives, shall preside over all meetings. The Secretary or other authorized person shall keep and maintain minutes of all meetings. The Board may adopt further policies and procedures with regard to conduct at a Board meeting. Only the Board or Board representative may make an audio recording of any Association meeting for purposes of preparing minutes. No other recording, whether audio or video shall be allowed.

Section 5.5 Action Taken Without a Meeting. The Directors may take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of a majority of the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Board.

ARTICLE VI - POWERS AND DUTIES OF THE BOARD

Section 6.1 Powers and Duties. The Board shall have all of the powers and duties necessary for the administration of the affairs of the Association in accordance with the provisions of the Governing Documents and Utah law. The Board may delegate its authority to manager(s), subject to any limitations or provisions contained in the Governing Documents.

ARTICLE VII - OFFICERS AND THEIR DUTIES

Section 7.1 Enumeration of Officers. The officers of this Association shall be a president, vice president, secretary/treasurer, and other offices as determined by the Board.

Section 7.2 Election of Officers. The election/appointment of officers shall take place at the first Board meeting following the annual meeting of the Owners. Officers shall serve in their office for a period of one (1) year. Notwithstanding, nothing in these Bylaws prevent an officer or directors from being re-elected to their respective positions.

Section 7.3 Special Appointments. The Board may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Board may, from time to time, determine. Appointed Officers may be removed by the Board with or without cause.

Section 7.4 Resignation and Removal. Any officer may resign at any time by delivering a written resignation to any Director or to any Manager. Unless otherwise specified therein, such resignation shall take effect upon delivery.
