

Welcome New Salt Grass Owner!

As mentioned during the walkthrough in the "Things You Need To Know" document, all contractor contact information is provided should any issues arise that require immediate attention.

Otherwise, we will be happy to address any nail pops or cosmetic paint touch-ups around the one-year warranty mark.

Please see the list of Subcontractors for this project. If you notice some concerns within the first year of purchasing your property and moving in, please contact the subcontractors directly.

- **Exterior Paint - MC Siding - 801.647.9248**
